'VICTORIOUS' ANTI-ANNEXATION GROUP REQUESTS FOUR COUNCILMEN TO RESIGN!

SCHOOL PETITION

D.A.'s Ruling Kills Ironic Transfer Try

Daly City residents — who decisively rejected the Callan Park annexation at the polls—won't have to worry about "inheriting" the responsibility of providing and paying for schools in the giant tract.

Action by District Attorney Keith Sorenson on Monday killed the somewhat awkward petition filed early last week by South San Francisco and Daly City residents for the transfer of Callan Park school jurisdiction from South SF to Daly City.

Sorenson, who notified this newspaper prior to issuance of press releases Tuesday, ruled that this petition, filed with County School Supt. James Tormey the morning of the Daly City election, "is legally insufficient . . . and would not be sufficient even if the annexation of Callan Park to Daly City had been successful on August 16."

Sorenson told this newspaper that he based his decision "on the fact that the law does not recognize conditional petitions as being valid."

The petition, which if it had been declared legal by Sorenson's office, would have been routed through channels to the county boundary commission, the county school district organization committee, and ultimately by Tormey, with his recommendation, to the county board of supervisors for establishment of a hearing date, and ultimately a final decision by the supervisors themselves.

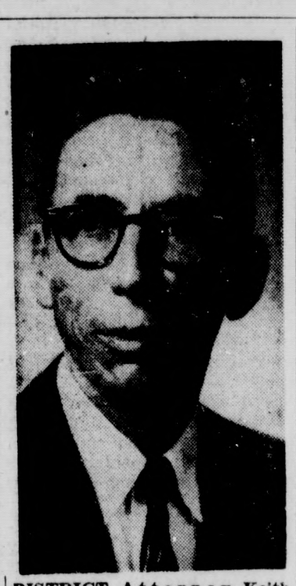
Sorenson's ruling, in effect, disintegrates the petition as an invalid document because its terminology contains the clause that the Callan Park area should be redistricted to the Daly City elementary school district only if the Callan development were annexed to the city of Daly City.

Sorenson termed this clause a "conditional" qualification, thus, by law, the petition lacks validity.

Some observers felt if the incongruous school redistricting petition had been declared valid and processed through channels, Daly City might have ended up in the ironical, unwanted position of having to provide Callan Park schools although the subdivision might end up in another city, remain in the county, or be incorporated as a new municipality.

The petition for the redistricting bore the signatures of 14 South San Franciscans and 13 Daly City property owners. The latter names includ-

(Continued on Page 2)



DISTRICT Attorney Keith Sorenson has ruled out a petition for transferring the Callan Park schools jurisdiction from South San Francisco to Daly City's elementary school district. He said that because the petition contained a conditional clause it was legally invalid.

TRUSTEES CITE OPPOSITION TO CALLAN SCHOOLS

Superintendent Richard Foster was instructed by Jefferson Elementary District trustees Monday night to draft a letter for public distribution declaring that the Daly City district is in complete opposition to any proposed transfer of the Callan Park schools jurisdiction to Jefferson Elementary District.

Trustees authorized the wording that the local district "has no geographical, psychological, sociological or financial connection with the unincorporated Callan Park area."

Earlier the same day, District Attorney Keith Sorenson ruled out a petition filed prior to the Daly City referendum by 14 South San Francisco residents and 13 Daly City residents in which both groups asked for the redistricting to Daly City on the condition that Callan Park was annexed to Daly City.

MAIN LIBRARY READY EXCEPT FOR FURNITURE

A mid-September grand opening ceremony is anticipated for Daly City's $143,750 main library in Westlake.

City councilmen Monday night by resolution accepted the notice of completed construction on the ultra-modern facility designed by architect John Gloe. Final payment will be made in 35 days.

Furniture placement will finalize the project, probably early next month.

The new structure is located on Southgate avenue near Windsor drive.

Hillside Apartments Hearing Postponed For 'Interpretation'

The city council Monday night delayed final action on Harry Curusis' long-standing R-2 to R-3 (for four-unit apartment building) rezoning request on his 25' x 83' lot at the northwest corner of Hillside boulevard and Como street.

George Moody, 304 Hillside, representing nearby property owners, cited a July 24 letter to the mayor protesting this alleged "spot" zoning in a predominantly residential area. A petition against the rezoning preceded Moody's appearance before the council.

The council agreed to check with the master plan survey firm of Hahn, Wise and Barber for verification of the preferred zoning in this section. A decision on the hearing is expected at the September 26 regular council meeting.

The council held second reading and approved an R-1 to R-3 rezoning on two lots at 156 and 168 Westlake avenue where apartments will be erected.

On motion of Councilman Ed-

(Continued on Page 2)

SCHOOLS SELL $650,000 BONDS

Board Also Completes School Bus Schedule

The Jefferson Elementary School Board voted Monday night to sell $650,000 of its 1958 approved bonds.

The new funds will make the school district eligible under the state's school construction program next year. To be even considered for state aid, the district must deposit with the State Division of Finance five percent of its $63 million valuation. Already on deposit from this year is $2,307,000.

The board also awarded a number of school contracts.

O. C. Jones and Son of Berkeley received a $10,546 contract for asphalt paving at Fernando Rivera School. Bernstein Co. of San Mateo got a $1128 contract for sunscreens at Ben Franklin Intermediate.

Asphalt tile and linoleum will be installed at Vista Mar and Vista Grande schools by West Coast Carpenters at a cost of $1795; and 150 lockers will go to Colma Intermediate—bought from Bernstein & Co for $1995.

Completing its student transportation plans for the new year, the board arranged with Greyhoud Bus Lines to provide 17 busses at $22.50 a day. They will be used mainly to carry pupils from the west side of Skyline boulevard to Abraham Lincoln school, and those from the west side of Lake Merced road to Fernando Rivera.

NO DEATHS LAST YEAR

'Pedestrian Safety' Award Presented City

Daly City has received an "Excellence of Pedestrian Protection" award from the American Automobile Association for its achievement of no pedestrian deaths in 1959.

The citation, recognizing the city for its accomplishments in the AAA nationwide Pedestrian Program Appraisal, was presented at Monday night's city council meeting by Harry R. Rasmussen, district manager of the California State Automobile Association.

In commenting on the award Rasmussen said:

"Pedestrian traffic fatalities across the nation dropped to an all-time low last year of 7750. This contrasts with 15,500 pedestrian fatalities in 1937, the year the AAA Pedestrian Safety Program was launched. The encouraging reduction in pedestrian deaths can be directly attributed to the excellent record made by Daly City and other cities."

Mayor Frank Pacelli thanked Rasmussen, and declared: "I think this reflects on the high caliber of our police department and many other city employees."

Repairs Authorized, Then City Will Sell Tiny Edgewood Park

First step in the intended city abandonment of tiny but expensive-to-operate Edgewood Park was executed by the council Monday evening.

Following a detailed study and a recommendation by the city manager and recreation commission, the council ordered immediate clean-up work at the unsightly 1.07 acre facility—the subject of protests by owners in the neighborhood — the East Vista avenue and Garwood drive area.

Next move will be to place the three-level, hillside site up for sale, proceeds from which will be used for the construction of a recreation clubhouse in the same Crocker tract area possibly at Lincoln Park, corner of Acton and Brunswick streets.

The council voiced full accord with City Recreation Director Charles Vincent and the five-member commission that the park, which opened in 1949, has deteriorated into a costly nuisance, is prone to continued vandalism, puts the city on the spot as far as accident-risk liability is concerned, and is an unnecessary operation because of its proximity to the larger Vista Mar School playground (two blocks away) and War Memorial Community Center—both supervised by city recreation personnel.

The immediate repair work at Edgewood will correct landscape and fence deficiencies which long have periled the park's operation and incited neighbors with property fronting the playground.

Recreation commissioner Ed Cavagnaro complained to the council Monday about the "lack of publicity on the Edgewood park vandalism and the recreation commission's efforts in the matter."

Both Mayor Frank Pacelli and City Manager Edward Frank countered that the city staff had discussed the matter at length in several meetings with the recreation director and that the abandonment verdict was the best solution.

Cavagnaro, declaring that he missed the last commission meeting concerning the park abandonmet, concluded his remarks by agreeing, "if the park is sold, then I think this money

Seat Makers Sued

STATE CLAIMS BIDS FIXED AT WESTMOOR HIGH

Westmoor High School was bilked of more than $2000 by the manufacturer of the seats for its gym, the state Attorney General's office charged in U. S. District Court this week.

The action was part of a statewide suit against six national manufacturers, charging that at least $1 million was sifted into the bleacher-maker's pockets since 1954.

The suit was filed, according to Dep. Atty. Gen. William Cohen, under the U. S. Anti-Trust Law.

It stated that the local Jefferson Union High School District paid $16,480 for 1200 seat bleachers at Westmoor — and that this was at least $2472 over usual price.

The suit asked triple damages of $7416 for the school.

A total of $14,681 was overcharged San Mateo County schools in 11 folding gym bleacher seat purchases, Dep. Atty. Gen. Cohen said.

Triple this in damages will be asked in all cases.

Specifically, Wayne Iron Works, Ind., which installed the Westmoor seats through a local jobber in 1957, was charged with "unlawful combination and conspiracies . . . denying the benefits of competitive bidding" to the school.

The same charge in other cases was filed against Brunswick Co., Chicago; Universal Bleacher Co. of Illinois; Fred Medart Manufacturing Co. of St. Louis; Safway Steel of Milwaukee and Berlin-Chapman (now Consolidated Foundries) of Chicago.

Cohen said that the manufacturers fixed the prices, gave firms special territories, had a policing system to be sure the conspiracy operated properly, and submitted bids according to a formula agreed on beforehand.

Other San Mateo Schools overcharged, the date of purchase and amount of cost and overcharge, as stated in the suit, are:

In the San Mateo Union High School District; Hillsdale High School, 1956, paid Berlin-Chapman $16,147 — $2422 too much; Mills High School, 1959, paid Brunswick $8200 — $1230 above usual rates;

In the Sequoia Union High School District; Menlo - Atherton High School in 1956 and 1957 paid Wayne $6843 and $10,885 — overcharges of $1026 and $1632; Ravenswood High

(Continued on Page 2)

Absentees Counted: Final Callan Park "No" Margin 3292

The Callan Park annexation lost by 3292 votes, according to final figures arrived at Tuesday night when 394 absentee ballots were tallied by the city clerk and council.

The absentee ballots showed 242 "no" and 152 "yes" responses.

Total election count found 7084 "no" to 3792 "yes."

RECALL RUMORED, BUT PROBABLE?

Mayor Asks Harmony, Instead Gets Protests

Mayor Frank Pacelli and three councilmen were asked to resign Monday night by the Citizens Committee For Good Government as a spokesman for the victorious anti-annexation group listed eight reasons for the demand.

Attorney Joseph Murray read a mimeographed sheet in which Pacelli, Micheal DeBernardi, Edward Dennis and Bob St. Clair were requested to quit "so that the people can be provided with representation in which they can have complete confidence that their rights will be protected."

Murray, law firm associate of Edward O'Haire, began his presentation—"Considering the results of the recent election, we think you (four councilmen) are aware that the people of Daly City disapprove of the policies you members of the majority have been following."

"Some of these are:

"1. The city budget last year was overspent by nearly $300,000. This made it necessary to 'raid' the water fund and our tax rate has been jumped from 92 cents per $100 of assessed valuation to $1.45.

"2. Two annexation ordinances were passed (Callan Park) despite requests of other representative boards and individuals to delay so that adequate study could be given the problem.

"3. The so-called 'emergency' annexation ordinance was passed to preclude the people's right of referendum.

"4. Honorary titles of mayor and councilmen were used in connection with advertising by a private corporation favoring one side of the annexation issue. Such advertising intimated that opponents of the annexation were 'obstructionists.'

"5. Citizens on more than one occasion in the past year have been obliged to hire legal counsel to protect their rights. It was necessary for the people to spend their own private funds to protect their rights on the annexation issue.

"6. The council majority showed a total disregard of the educational needs of our children in the annexation.

"7. The council majority permitted and encouraged city employees and city groups of employees to openly endorse one side of the annexation issue.

"8. The council majority has placed the city in an almost untenable position in regards to the North San Mateo Sewer District. We are faced with either a law suit to de-annex the Callan tract from our sewer district or else have the city's taxpayers carry the costly sewer load.

Murray summarized: "In view of the obvious mismanagement of city affairs, a disregard for the wishes of the majority of the citizens of Daly City, and the yet unfinished job of removing the Callan tract from the North San Mateo Sewer District, which must be accomplished for the protection of taxpayers, we respectfully request the resignation of Mayor Pacelli and Councilmen DeBernardi, Dennis and St. Clair."

Murray's concluding statement produced heavy applause from the predominately anti-annexation group in the nearly-full chamber.

The four targeted councilmen, however, with the exception of one outburst by Dennis, greeted Murray's appeal with silence.

Dennis, his voice rising in anger, demanded to know Murray's office location and "what is your home address."

Murray replied that his law office was on Market street in San Francisco. But Pacelli politely informed Dennis that Murray didn't have to answer any further questions, "this is not necessary."

Pacelli launched Monday night's agenda with a brief message that "the council will take the necessary steps to cancel the defeated annexation," and "we hope that the animosities generated by the annexation controversy will be forgotten and we can continue to work for the benefit of Daly City."

Whether a rumored recall move against the four city councilmen will take root was not disclosed by any of the anti-annexation spokesmen Monday evening.

DeBernardi and St. Clair appeared completely unbothered during Murray's presentation. Councilman Joseph Verducci, who voted against the Callan Park annexation ordinances on April 11, was absent Monday night. He is in Italy for the Olympic Games, and he won't return to Daly City until mid-September.

Thiers Street Improvements About $31,000

The city council Monday night authorized advertisement of bids for an estimated $31,000 improvements job to Thiers street—a share-the-cost project with Jefferson Elementary School District.

Most of the cost will be for installation of an 820-foot storm sewer from Lausanne avenue to Hillside boulevard. The project involves the grading, paving, and installation of water lines ad fire alarms on Thiers from Lausane to Florence and continuing north on Florence to Vista Grande School.

Bids are scheduled to be opened by city council on Wednesday, September 21 at City Hall, 75 Wellington avenue.

Parochial Students Open Fall Classes On September 6

Daly City area parochial elementary school youngsters will open fall semester classes on Tuesday, September 6, it was announced today. Enrollment at Our Lady of Mercy in Westlake, Our Lady of Perpetual Help on Wellington avenue, and Holy Angels in Colma is expected to total approximately 1500.

Acting Director Vincent Named Dept. Leader

Charles E. (Chuck) Vincent, 34, acting director of the department since April 25 this year, Monday night was appointed by the council as director of Daly City's Recreation Department, effective September 1.

Vincent, who joined the city's ranks in February of 1958 as recreation supervisor, took over the job vacated by Director Dee Van Nest early this year. Van Nest resigned to take a similar job at Bellflower in Southern California.

The 34 - year - old Vincent's salary as recreation director is $620 a month.

A native of Hollister who grew up in Salinas, Vincent is a graduate of San Francisco State College, class of 1957. Prior to his Daly City appointment two years ago, he served five years with the Columbia Park Boys Club in San Francisco, in the capacity of director of athletics, camp counsellor and promotion director.

He and his wife, Betty, residents of 59 Risel street, are the parents of five youngsters.

SIX LOCATIONS

75 Classes For New Adult School Term

Fall Semester Jefferson Adult Evening Classes are scheduled to start on Monday, September 12, with a full slate of over 75 classes available at six different locations. It is expected that enrollment figures will exceed those of the Spring Semester which reached a new district high of over 3000 adults. Classes are equally divided between the Jefferson and Westmoor High School campuses in Daly City. However, many classes are also offered in the city of Pacifica, Bayshore and Brisbane.

Louis J. Martin, Principal of the Adult Evening School, indicated that as the demand for classes increases in the city of Pacifica, they will be added. Classes will be held at Ocean and Terra Nova High Schools when they open next year.

Over 3000 brochures and schedules of classes were mailed out last week to former students. A schedule of classes indicating times and locations will appear next week in all community newspapers. They may also be picked up at both high schools, the Jefferson Union High School District Office, located at 375 South Mayfair avenue, Room 214, Daly City, or at the local libraries. A class schedule will also be sent to your home upon request by telephoning PLaza 5-1162.

Classes are offered to any adult, regardless of education, or to any high school graduate. Adults who desire credit for high school diplomas should contact Martin for particulars and registration procedure at PL 5-1162 or by coming into the District Office.

Many classes because of heavy demand have limited enrollment. These are Mosaics, Landscape Painting, all Language classes, Woodshop, Slim Trim Exercises for Women, Driver Education, Photography, and Upholstering. For all other adult classes all you have to do is to attend the first meeting of the class and register with the instructor. The Fall Semester registration fee is $1 and entitles adults to take as many classes as they wish.

City To Plant Palm Trees On Mission Strip

The major improvements program to Daly City's Mission street will be capped by the planting of 18-feet high palm trees, Mayor Frank Pacelli announced today.

The beautification project will be financed by the city in an effort to make the Mission commercial district more attractive and stimulate business.

Pacelli said the Washingtonian palms—similar to those in Stonestown—will be planted about 300 feet apart on the Mission center islands. The palms will be fully grown when they are transplanted here.

Council Asks Bids On New Corporation Yard Storage Bldg.

Councilmen Monday night authorized the calling for bids on a prefabricated metal building to be used for storage of vehicles and equipment at the city corporation yard, Citrus and Niantic streets.

Specifications for the building have been prepared by City Engineer Bill Chapman, who explained that the structure is needed to house the city's two street sweepers and street flusher, other expensive maintenance equipment, plus a lavatory for public works personnel.

Bids on the estimated $10,000 building will be opened at City Hall, 75 Wellington avenue, on Wednesday, September 7, at 2 p.m.

Doorbell Keeps Ringing But She Hadn't Called

Mrs. Milton Harvy, 59 Midvale drive, reported to Officer Steve Steen last Thursday evening that she was being pestered by persons calling at her door.

Her husband said the first caller came at 3 p.m. A man from the AAA came to tow his auto away. He told the man he hadn't called for a tow truck.

At 3:30 p.m. Mrs Harvey returned home to find a plumber working in her bathroom, her small children standing idly by, watching. She told the plumber she hadn't put in a call for any repair work.

An hour and a half later, a drug store delivery boy brought $18 worth of drugs to her door. Same story, and then at 6 p.m., a different drug store delivery boy rang the bell and said he had the $10 worth of drugs she ordered.

Then she finally did make a call and got the response that she asked for. She called the police and Steen took the report.

STATE CLAIMS

(Continued from Page 1)

School, 1959, paid Wayne $10,982 and was overcharged $1647; Sequoia High School in 1959 paid Wayne $8497 or $1273 too much; Carlmont High School in 1956 paid Wayne $5112 or $766 above usual;

Woodside High School in 1959 paid Wayne $12,034 — $1804 overcharge; Sequoia High School in 1957 paid Safway $3065—$409 too much.

Five More Mission Business Licenses Okayed By Council

Five more new firms on Mission street were granted business licenses by the city council Monday evening.

They are: Jack Li, Jim Ow, Ying Choy Lau at County Line Market, 6000 Mission; D. B., J. A. and V. M. Clark at Don Clarke's Automobiles, 7577 Mission; Chris Giotini, G&G Appliance and Service, 6819 Mission; Robert and Mary Parker, B&M Litho, 6951 Mission; and Joe C. Penka, Holland Furnace Company, 5955 Mission.

California has more comprehensive laws, rules and regulations relating to agriculture than any other State.

D. A.'s Ruling

(Continued from Page 1)

ed leaders in the anti-annexation fight here.

Callan Park, 871 acres which run from the southern boundary of St. Francis Heights to the northern tip of San Bruno, continues the subject of much speculation.

Builders Mike and Tom Callan Jr have not decided whether to build on 50-foot lots in the county — knowing that their proposed shopping centers now may not be financially feasible, or to form their own city.

One other probability is not being overlooked—the fact that South San Francisco officials may alter their lot size specifications and welcome the Callan development. Councilmen from the Industrial City to date have not discussed at length any Callan proposals; but some, close to the North Peninsula political scene, are not forgetting this possibility.

Two New Sites Authorized By District Board

To take care of anticipated enrollments, on August 1, the board of trustees of the Jefferson Union High School District authorized the administration to seek two new high school sites.

Currently, the district is operating under the State Building Program, having received to date some $5 million dollars from the state funds to construct Oceana and Terra Nova High Schools. Between now and February 1961, the district will place before the local allocations board, an application for funds to construct a second increment at Westmoor, to re-build Jefferson, and to purchase two additional high school sites.

Under existing state law which permits a high school district to project its enrollment for seven years, the district is eligible for two additional high school sites. One site will be located between Westmoor and Oceana High School, the other between Jefferson High School and Brisbane-Bayshore.

To assist the district in its search and ultimate purchase, the Board of Trustees selected the architectural firm of Falk and Booth to handle planning and the construction of the school that will be located between Westmoor and Oceana. Within the next few weeks the board will select the architect who will construct the high school which will be located between Jefferson and Brisbane-Bayshore.

COUNCIL OK's 'NARROWING' OF BELLEVUE

Panorama Builders' request for city abandonment of 18-foot wide strips on the north and south sides of Bellevue avenue, from Guttenberg street to the San Francisco line, was approved Monday night by the city council.

The developer of the recently annexed 100-acre Southern Hills subdivision in the city's northeastern section needed the diminutive street vacations to keep Bellevue—the major street leading into and fronting their development—consistent with a 50-foot width. The small portions abandoned by council consent on Bellevue are where Bellevue is 85 feet in width.

By reducing the street in this sector to 50-foot width, Panorama officials won't have to worry about losing valuable front and backyard setback space on the south side of Bellevue. They pointed out that although they don't own property on the north side of Bellevue, vacation of this land has been requested from San Francisco to provide street width and home frontage uniformity at this spot.

City Engineer Bill Chapman informed the council that he could see no objection to the Bellevue vacations. He added that Panorama Company is still grading the new area and is expected to file the map of its first unit with the planning commission next month.

In other action Monday night, the council heard Chapman's report and approval of the tentative map of Westlake Unit 8-E in the Palisades near Reservoir 5. Doelger Corporation plans 12 more homes there, with backyards on the hill above the ocean. The council's approval had been delayed earlier pending a soils stability report, requested by Chapman.

Hillside Apartments

(Continued from Page 1)

ward Dennis, the council voted to notify the North County Council of Cities on its opposition to Proposition 15 (reapportionment) in the November election. A letter was read from Pacifica Mayor Harold Feyge in which he urged solid "no" responses to the ballot measure.

19-Year-Old Is Sought As Thief Of Shirts, Rifle

Police are searching for a 19-year-old youth as the possible thief of 10 sports shirts and a .30 caliber rifle from the residence of Rudolph Dubord, 209 Woodrow street, Wednesday evening last week.

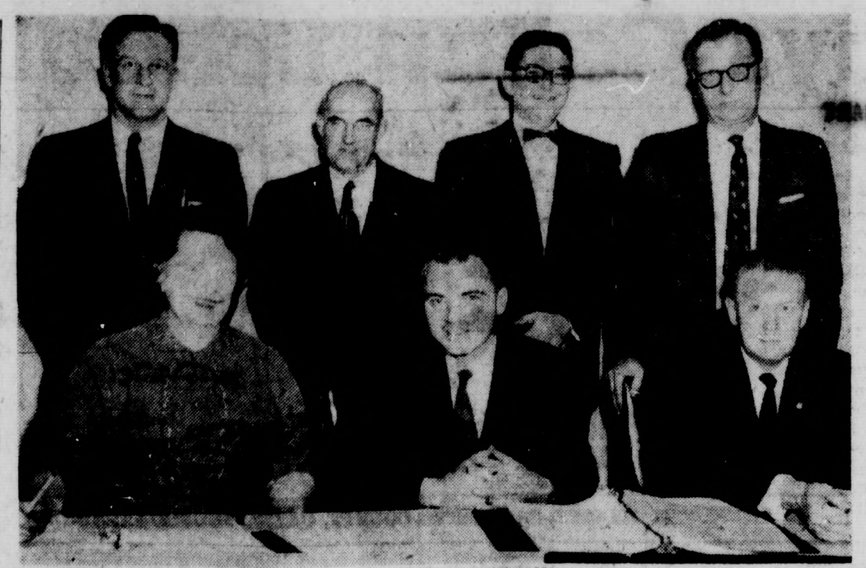
The rifle was recovered the next day from the owner of a Mission street sporting good store. The merchant told Police Officer William Schumacher that a youth fitting the description given by Dubord had sold the rifle to him for $30 cash.

Dubord said the suspected youth frequently had lived at his residence, and that he had given the rifle to the suspect to have it repaired.

Dubord placed a $75 value on the short-sleeved shirts and $80 value on the missing rifle.

BETTER PROPELLER SHAFTS

Monel nickel-copper alloy is used for propeller shafts of pleasure boats because it is highly corrosion-resistant, as strong as structural steel and tougher than ordinary shafting.



JEFFERSON High School District administrators and trustees (above) are faced with double sessions this fall at Westmoor. Jefferson High, however, will be on the regular full-day schedule. Front row (left to right), trustees Anna Eason, Elio Fontana and James Cooper. Standing (left to right): business superintendent Fred Goodell, trustee chairman Lyal Ingersoll, trustee Dr. Robert Rockstein, and District Superintendent Edward Morgan.

DENSE FOG, NO INJURIES

All Daly City Police Respond To Thursday's Ten Car Crashes

Ten Daly City and Pacifica drivers had their cars banged up last Thursday as dense fog surrounded the city. All local policemen were called out to take reports and stop further crashes.

No one was injured though the accident reports started to come in at 7:25 a.m. and by 7:30 p.m. a total of 10 autos had been damaged.

Involved in the first crash, at Sheffield drive and Alemany boulevard, were the autos of Elroy C. Frankson, 23, 280 Lake Merced boulevard, a feeder at a lithography company, and Frank W. Matson, 28, 46 Crestwood drive. Major damage was done to both autos.

Other autos, damaged moderately at Skyline boulevard, about a half mile south of Westmoor avenue, were those driven by Jack McGowan, 33, 636 Manor drive, Pacifica, a desk man for PT&T; Mary Casper, 25, 790 Claridge drive, a housewife; and Barbara Stahl, 32, 8 Montebello drive, a worker for the PT&T.

The final five set of cars, at the same location, was triggered when Klaus Alsholz, 21, 87 Montebello drive, a cabinet maker, slammed on the brakes to avoid hitting a car that crossed in front of him. His car spun and he fell out of the auto —the driverless vehicle crossing over the double white line. He was not hurt.

Other cars receiving moderate damage were driven by Rheba M. McKinley, 31, 515 Vista Mar avenue, Pacifica, a payroll clerk; Domenic Lampedecchio, 39, 1419 Serra drive, Pacifica, a welder; James W. Stuart, 46, 1335 Adobe drive, Pacifica, a superintendent at a bakery; and Gary Harris, 22, 904 Serena drive, Pacifica, a body and fender man.

An earlier accident, on Skyline boulevard at Alemany at 4 a.m., accounted for the breaking of a guard rail. The driver, Theodore L. Bredt, 39, 574 Heathcliff drive, Pacifica, a worker for a San Francisco newspaper, obviously became confused by the dense fog and bumped the rail.

St. Francis Hts. Home Ransacked; $874 Valuation

Robert Togneli, 295 St. Francis boulevard, notified police that his house had been ransacked and $874 worth of goods, including three rifles and a pistol, had been taken last Wednesday evening.

Officer Tom Culley said the thief apparently gained entry through the rear yard and then pried open a basement door.

The list of missing articles Tognoli gave Culley included: a sterling silver set placing for 12, a table model radio, a wristwatch, two cameras, a movie camera, a razor, derby hat, leather jacket, car coat, hair dryer, barber clipper set, perfume, two dozen diapers and miscellaneous woman's clothing.

DR. VINTON STRATTON, high official in the California Elementary School Administrators Association, is director of instruction for Daly City's Jefferson Elementary School District. Stratton is in charge of curriculum.

One Out Of Every 4 Bowlers Won PAL Gift Award

More than 500 prizes will be distributed Saturday to winners in the Police Athletic League benefit tournament at Westlake Bowl, with the awards on display from 2-4 p.m. and distributed thereafter.

Approximately one in every four bowlers who entered the second annual tourney for Daly City boys will receive something. Men and women keglers will divide the awards according to the ratio of entries, with men 2.8 to 1.

The top 12 get RCA transistor radios, plus another award. All prizes were donated by public-spirited merchants in the area who are to be commended for their charitable contributions.

Richard Richter and Mary Lou Chadwick, the two leaders in their divisions, will have their choices from the following top prizes: Men: Ovenrange, 21" TV, two watches, 9x12 rug, trip to Las Vegas, trip to Reno, two tires, car transistor radio, muffler repair job.

Women: Dryer (not Rick Dreier), two watches, trip to Reno, stereo phonograph, certificate for diamond ring.

The total prizes have a value of nearly $7000, by coincidence, almost the total raised for the tourney.

Johnny Swanson announced today that he will close Westlake to resurface the lanes from midnight, September 11 through noon, September 14 in time for the winter leagues that are just about completely formed now.

Edgewood Park

(Continued from Page 1)

should be spent for a clubhouse on one of the other sites in the area."

Vincent's detailed, pictorial report to the council, under study by the latter for two weeks, noted that the city discontinued day-time supervision of the park in August of 1958 when Vista Grande school playground opened and became a part of the city's supervised joint-use program.

Since that date, Vincent said, police department vandalism records show that Edgewood maintenance problems "have increased steadily . . . and the site has become both an eyesore and a liability."

Vincent emphasized that not only would renovation of Edgewood work a hardship on his department's limited budget but also that returing supervision to the park "would not deter vandalism occurring at night or on weekends."

The director reminded, "regardless of what action the city council sees fit to take, it must be done hurriedly. Some improvements must be made before the winter season if the city is to retain the land."

His reference particularly was to the soil erosion problems, caused by collapsed fences and playful "tunnel digging" by juveniles.

Edgewood park, as originally built, consists of a large sandbox type play area, an apparatus area containing swings, slides, merry-go-round and climbing bars, restrooms and storage space and a picnic table —on the lower level.

The middle level is a combination of paved asphalt and tan bark, with a basketball court (backboards were vandalized some time ago), plus the apparatus.

The upper level was designed for volleyball and badminton.

Final testimony on the park's rundown status is the revelation by Vincent of the missing bronze plaque which commemorated the dedication of the park. Its whereabout is still unknown.

Vincent said parks and recreation files shows that "such a building (new clubhouse in Crocker area) had been promised the citizens of that area since a bond election was passed some years ago."

Tavern Raid Nets Thieves $200 In Cash

Puccini's tavern, 7535 Mission street, was burglarized last Sunday between 2:20 and 7:30 a.m. by thieves who gained entry by prying open a rear door on the east side of the building.

Investigating officers Robert Stables and John Van Otten were notified by the bar's clean-up crew early Sunday morning. They called police after finding the rear door wide open when they reported for work.

Stables said $200 was removed from the cash register behind the bar. Damage to the door and the register were estimated at $500.

The door to the inner office of the establishment also was pried open, but the safe inside this room was untouched, as were the contents of the liquor room.

Parochial Students Open Fall Classes On September 6

Daly City area parochial elementary school youngsters will open fall semester classes on Tuesday, September 6, it was announced today. Enrollment at Our Lady of Mercy in Westlake, Our Lady of Perpetual Help on Welington avenue, and Holy Angels in Colma is expected to total approximately 1500.

Jefferson and Westmoor High Schools open classes on Monday, September 12, the same time Jefferson Elementary District schools commence the new school year.

Early Plans Are Okayed For 19-Room School

Architect Angus MacSweeney's preliminary plans for a $1,300,000 Westlake Terrace school were approved by the Jefferson Elementary School Board this week.

The new school will handle kindergarten through sixth grades. Plans call for 19 classrooms, a multi-use room and an administration unit—a total of 35,000 square feet, built around two courts.

Of the total cost, nearly a half million dollars goes for the property.

The plans now go before the county superintendent of schools and then to the State Division of Architecture. With their approval, working drawings will be started.

Final plans for a six classroom addition to Ben Franklin Intermediate were also approved by the board.

The plans call for locker and shower room facilities for 92 boys and 92 girls. Total estimated cost is $350,000.

School Supt. Richard Foster said the plans will now go to the Division of Architecture and should be ready to go out for bid in November—ready for the 1961-62 school year.

City's Summer Parks Program Ends Friday

Daly City's Department of Parks and Recreation announces that with the completion of its summer program on August 26, all recreational school sites and several of the smaller city facilities will be closed until Monday, September 19, when the Fall program will get underway.

The resumption of school on September 12 makes it necessary to close all school facilities in order that maintenance crews may go in and prepare the spaces that have been used by this department for its summer program.

The following recreational facilities will remain open with competent supervisors on duty: Marchbanks Park, Westlake Park, and War Memorial Community Center.

The hours of supervision are 10 a.m.-5 p.m. Monday through Friday. The War Memorial gymnasium will also be supervised from 7-9:30 p.m. nightly. Marchbanks Park and Westlake Park will also have weekend supervision from 10-5 p.m.

M&D Ambulance Owner Booked -- 'Bad' Checks

Wesley Black, 31, owner of the M&D Ambulance Service which formerly served Daly City, was back in the city again last Thursday under different circumstances.

He was picked up by Sergeant Charles Terry on nine counts of passing alleged fictitious checks.

Black, 12 Chapman avenue, South San Francisco, was being held by South San Francisco police when Terry showed the Northern Judicial Court warrant and brought him here. Officer Richard deLosa made out the arrest report.

Listed on the report were three checks made out to the Sesnick Candy Company of San Francisco, in the amount of $101.36, and two endorsed to the order of the Pacific Market, 6212 Mission street, Daly City, for $117.68.

GLENN SOUTH, a Stanford graduate, has been principal of Daly City's Westmoor High School since the facility opened four years ago. Westmoor will be on double sessions this fall and next spring, with Oceana High students attending during afternoon classes. The two new Pacifica high schools, Oceana in Sharp Park and Terra Nova in Linda Mar, are expected to be ready for their first students in September of 1961.

NEW NICKEL MINE

As part of a long-range program to maintain the continuity of its extensive operations in the Sudbury District of Ontario, International Nickel is developing a new open pit mine which is scheduled to go into production in the latter part of 1961.

PROCLAMATION

WHEREAS, an important Federal and State election occurs in November of 1960, and

WHEREAS, a non-partisan effort is being made to encourage all eligible citizens to register to vote, and

WHEREAS, September 15, 1960 is the last date available for registration prior to the November election;

NOW, THEREFORE, I proclaim the month of August 18 to September 15 as Registration Month, and I urge and encourage all eligible to do so, to register if they are not already on the rolls of voters of San Mateo County.

DATED this 18th day of August, 1960.

FRANCIS P. PACELLI
Mayor of Daly City

'Tricks Of Trade' Will Help Students Succeed In School

There are tricks to every trade — even that of being a successful student. Success in school, according to the National Education Association, is the result of good planning, careful budgeting of time, knowing how to listen, and other tricks of the learning trade.

Teachers in junior and senior high school have the following advice for students who want to improve their learning ability:

"Budget" your after-school hours. Make a chart, leaving a space for each free hour. Then schedule your time between study, sports, hobbies, outside reading, social activities. Don't allow interruptions during study periods.

Make use of "odds and ends" of time. Study on the bus. Keep flash cards in your pocket for studying French verbs, chemical formulas, or history dates, while you wait in line or grab a quick lunch.

Train yourself to be a good listener. When your mind starts to wander in class, try listening "for use." This means looking for information you can pluck out and use from what is being said . . . facts that will help you understand a difficult part of the subject . . . information that is not in your textbooks.

Try the trick of "everlearning." After you have committed to memory a series of dates, a list of foreign words and their English meanings, or a poem that you have been told to memorize — study them some more. Tests have proven that students who study material a while longer, after having learned it, will remember it longer than students who learn it and stop studying.

Ask yourself questions about what you are studying. To impress information forcibly on your mind, close your book from time to time and ask yourself questions about the page you have been reading. Write down the answers, and check them against the text.

Study in an organized way. Don't just plunge in and wade through the heavy material in your textbook. First read the summary of the chapter's contents. Then read headings and subheadings throughout the chapter. If you know "where the chapter is going," your concentrated study will roll along more smoothly.

Do something extra, "above and beyond the call of duty." Read a short story in the foreign language you're learning. Like math? Try a paperback book of mathematics puzzlers and problems. Read magazines and books about your favorite subject — whether it's biology or history.

Tough assignment? Give yourself a "reward" for doing it. When you have a series of complicated math problems to tackle, promise yourself a trip to the local hamburger heaven, or let yourself watch a good television program, after the problems are done.

Four-Day Run For 'Art Fair' On W'lake Mall

The Westlake Art Fair will be presented by the Westlake Merchants Association at the Westlake Mall on August 31, September 1, 2 and 3.

The Art Fair will feature an outdoor exhibition of the finest painting by California artists and an exhibition of crafts. The outdoor art exhibit is presented with the cooperation of Hansen and Petermans Art Unlimited gallery in Tillman Place, San Francisco. The paintings will be displayed throughout the shopping center court area and all paintings are for sale. In addition to the Art Unlimited Paintings, there will be a special section for artists in the Westlake area. These will be paintings by Westlake residents and will not be for sale.

Everyone is invited to enjoy this free, four-day exhibition.

Friedenberg Of Daly City Gets State Demo Job

David Friedenberg of Daly City was appointed acting state chairman of the By-laws Committee at the California Democratic Council of Clubs executive committee meeting at the Hilton Inn last weekend.

Friedenberg is president of the San Mateo County Council of Clubs.

Frank Rose of San Mateo was named chairman of the state group's resolutions committee.

Delegates were welcomed to San Mateo County by Daniel J. Monaco, chairman of the county Democratic Central Committee. He spoke of the importance of the 500 Democratic Clubs and their more than 50,000 members in the current political campaigns.

Other speakers included Frank Chambers, deputy director of the State Department of Public Works, who was representing Governor Edmund G. Brown; Lt. Gov. Glenn Anderson; and State Controller Alan Cranston.

Others from San Mateo County who attended the meeting were Hilma Daily of Redwood City, the 26th Assembly District representative; James Read, president of the Menlo-Atherton Democratic Club; Elizabeth Heller of Atherton, and Peter Benjaminson of Menlo Park.

Rotarians Hear Highway Division Man On 'Freeways'

James Spence, engineer with the San Francisco office of the Califonia Division of Highways, spoke on "Freeways" at last week's Daly City Rotary Club meeting.

Rotary District Governor Francis Whitmer will visit the club on Wednesday, September 7. Committee chairmen are preparing their annual activity reports for this session.

Member Rudy Richter, according to a club spokesman, has returned home from the hospital and "is recovering rapidly."

Club members will attend the "Flower Drum Song" en masses on September 9 in San Francisco. Tom Lewis is chairman for this project.

Phone 'Voice' Contest Won By Westlaker

Barbara Vidal, Daly City telephone operator and resident, recently was the guest of MGM Studios in Hollywood as winner of a "Miss Telephone Voice" contest conducted among Pacific Telephone employees throughout the company's San Francisco Division.

Miss Vidal lives at 1354 Southgate avenue with her parents, Mr. and Mrs. Anthony Vidal.

She has been a long distance operator at the phone company's Plaza office, 359 Washington street, Colma, for more than a year.

According to Daly City telephone manager Frank Riddle, the contest was sponsored by the Loew's Warfield Theater and inspired by the MGM picture, "Bells Are Ringing" — a story about an answering service switchboard operator. Contestants were drawn from among phone company employees whose jobs bring them into regular telephone contact with the public. The winner was to have the most personable, pleasant telephone voice.

The contest was judged from taped recordings of the contestants' voices by a panel of executives in the local entertainment and broadcasting field.

The overnight trip to Los Angeles and visit to Hollywood marked a number of firsts for Miss Vidal: her first airplane flight, her first visit to a film studio and her first ride in a helicopter, which she took from Disneyland to the Los Angeles airport for her flight home.

The event also represented one highlight in a very special month in her life. This month she also turned 21, and she will be married on August 27 and will honeymoon in Las Vegas.

W'lake Kennel Club Schedules Spaghetti Feed

Westlake Kennel Club today told plans for a fund-raising spaghetti dinner on September 7, from 7 to 9 p.m., at the clubhouse in Westlake Park.

According to club president John Hunt, the $1 donations will go into the club treasury for fall season activities.

Dinner reservations may be made by calling PL 5-4422 or PL 6-4339.

Publicity chairman Mrs. Mary Heresuth reports the club's next Dog Training Class will begin on September 9 at Westlake Park. For more information call PL 6-5339 or PL 5-4305.

Next dog show sponsored by the club will be held October 15 at Marchbanks Park in Daly City.

'Mutual Fund' Explained In First Of Series

(This is the first in a series of explanatory articles on the "mutual fund," written by Daly City resident William R. Morgan.)

A Mutual Fund is an investment company whose sole business is to invest shareholders' money in securities and, for a fee, to manage the investments.

The funds to make investments are obtained by the sale of shares to investors. The money received from investors is then combined and invested as for a single account. Each shareholder participates in net income and capital appreciation in proportion to the number of shares owned.

The business of a Mutual Fund is directed by trustees — if it is a trust—or by a board of directors if it is a corporation.

Investments by Mutual Funds are made in securities of other corporations. These investments may be in a wide variety of corporations. Securities owned by the Fund are known as its portfolio, which may include shares of leading companies in industries such as steel, automobiles, oils, chemicals, electronics, drugs, cryogenics, railroads, utilities, etc. Thus, the investor in Mutual Funds owns an interest in a "piece of American Industry."

The types of securities a Mutual Fund buys—common stock, preferred stocks, or bonds—will be treated in a later column. But, and this is most important factor of all Mutual Funds, they spread their risks over a diversified list of securities. The Mutual Fund gets its income from 1) dividends and interest and 2) net gains made on sales of portfolio securities at an overall profit.

The Fund pays out in dividends to the stockholders the balance of income after deductions for expenses which include management and custodian fees. This is paid out usually every three months. Capital gains distributions are made usually at the end of the fiscal year.

RANDY MARCUS sits in at the piano as other members of the Daly City Players cast, who were in the "Tender Trap," gather around. More than 150 persons attended the opening play put on by the theater group. In back of Randy (left to right) are Travis Wert, George Alphin and Cora Chroninger.

THE RECORD photo

Children Under 6 Most Prone To Polio, Says Dr.

Paralytic polio this year continues to strike indiscriminately among Californians, although particularly among those under the age of 15 where 75 percent of the reported cases have occurred, warns Dr. Malcolm H. Merrill, state health director.

In again urging everyone to seek vaccination against paralytic polio, the director said that while most of the cases have occurred among California's young people, 14 or the cases were in persons between the ages of 30 and 51.

"In total these are not very many, but they certainly underline the fact that older people can be victims of polio, too," declared Dr. Merrill.

He said there have been seven deaths attributed to polio since the first of the year, all in adults. None had received the recommended dosage of Salk vaccine.

"With an effectiveness of 90 percent or better when the basic three doses and the booster have been received, most of these cases could have been prevented, said the director.

The number of paralytic polio cases this year is higher than during comparable time periods (Jan. 1-Aug. 6) last year and 1958, when 134 and 76 cases respectively were reported. The annual seasonal peak has not been reached and the dangerous period still lies ahead, Dr. Merrill reported.

The general pattern of the disease has not changed, he continued. The disease strikes pre-school children under the age of six most often. This group alone accounts for one-half of the total paralytic cases. Of these, 90 percent have either not been vaccinated at all or have not received the full course. It is estimated that in California at least 300,00 children in this age group have not yet had their first shot.

"Failure to take advantage of this preventive measure can lead to severe illness and lifetime crippling, or in death," declared Dr. Merrill.

Principal Mongan To Greet Student Body At Jeff

Principal John Mongan will greet the Jefferson High School student body at an assembly in the Gymnasium at 8:30 a.m. on September 12 to open the 1960-61 school year.

At this time Mongan will introduce his administrative and counseling and guidance staff, who will inform the students of opening day procedures and review in brief the traditions and customs of Jefferson High School.

At 8:30 a.m., September 1st and 2nd, all entering freshmen and all students new to the district (sophomores, juniors, or seniors) will meet in the cafeteria of Jefferson High School for pre-registration, testing, and orientation. This program will include an introduction to home room procedures and a tour of the school.

Those students who have not taken the entrance tests should bring a lunch and plan to remain at the school until 3 p.m.; those students who have already been tested may leave at 11:30 a.m. Bus schedules for Brisbane and Bayshore for September 1st and 2nd will be announced in the local papers and posted at the recreation centers.

The faculty of Jefferson High School extends its greetings to all returning and new students at Jefferson High and sincerely hopes that September 12 will be the opening of a happy and successful school year.

Letters To The Editor

Ladies Of V.F.W. Compliment Paper And City Officials

Dear Editor:

We wish to express our thanks for the magnificent publicity you have kindly given Old Glory Post No. 2044 and its Ladies Auxiliary, Veterans of Foreign Wars. It was so during my year as publicity chairman and we continue to receive it this year with my daughter as the chairman.

Our family think your publication tops, and are proud to be one of your subscribers. Frankly, the cooperation I have received from our City Hall, Police Department, Fire Department and Recreation Department has been outstanding. And the Marchbanks Publication heads the above list.

Very Sincerely Yours,
Patrician M. Fawcett,
Chaplain, Old Glory
Ladies Auxiliary
No. 2044, Daly City

VETERAN John Mongan is principal of Jefferson Union High School in Daly City. Jeff will be filled to capacity, as usual, this September.

Dedication Ceremony And Open House Set At New Firehouse

Fire Chief Elmer Kennedy announced today that a dedication ceremony and open house would be held on September 17 and 18 at Daly City's newest fire station, corner of Lincoln avenue and Edgemont drive in Westlake.

Kennedy said city officials and architect John Gloe would head the ceremony, and all residents are invited to tour the facility during that weekend.

Bttn. Chief Melvin Hanson is in charge of the project for the fire department.

Councilmen Adjourn Meeting In Memory Of Accident Victim

On motion of Councilman Micheal DeBernardi, Daly City councilmen Monday night adjourned their regular meeting in memory of Steve Melinec, 56-year-old Broadmoor resident and long-time Westlake traffic crossing guard who was killed two weeks ago in a car accident on Bayshore Highway near Santa Clara. Melinec's wife, seriously injured in the same mishap, is recovering in the hospital.

DEALERS SEE NEW VALIANTS AND PLYMOUTHS

New 1961 Plymouth and Valiant car lines will be shown to dealers for the first time this Thursday in Las Vegas.

Daly City dealer James Donahue, 6232 Mission street, said the new cars (Valiant is supposed to have a more broadened line) will go on public display September 29.

Five Teachers Hired For New School Year

Five of seven new teachers needed for local schools were hired this week as school officials readied for the school year.

Elementary School Supt. Richard Foster reported these teachers hired by the board:

Forrest Simoncini, a graduate of the University of California at Berkeley who taught at Colma K-6 in 1956-57;

Mrs. Jeanett Hakes, a graduate of Ohio Wesleyan University who taught in Columbus, Ohio, four years;

Mrs. Janice Mitchell, a graduate of Iowa State University;

Miss Diane Hantman, a graduate of Brooklyn (N.Y.) College;

Mrs. Ann Reed, a graduate of the University of South California and a teacher in Los Angeles for four years;

Miss Nona Reiselt, a graduate of Western Illinois University and a teacher in Dixo, Ill., last year;

Mrs. Cornelia Tamley, a graduate of the Uiversity of California at Berkeley and formerly with the San Mateo County health department.

Supt. Foster has scheduled six days of meetings for new and returning teachers.

Two special seminars are planned to hear Dr. Robert Smith, head of San Francisco State College education department, and Jack Danielson of Tamalpais Union High School District. Smith will speak on teacher-administration relations; Danielson on teacher-child relations.

WESTMOOR WILL HAVE SIX NEW INSTRUCTORS

Westmoor High School will open the 1960-61 school year with a teaching staff of 65 teachers and an approximate student enrollment of 1325 students.

Among the 65 teachers, six will be new to the Jefferson Union High School District.

William Carr, graduate of San Francisco State, will teach physical education and serve as assistant varsity football coach. Carr played on the football team at San Francisco State.

Erling Logan, science major and graduate of Washington State College, will teach chemistry. Logan comes to Westmoor with 10 years of science and mathematics teaching in the states of Washington and Idaho.

Domnick Polillo, industrial arts major and graduate of the University of Idaho, will teach woodshop in the industrial arts department. Polillo is married, has three children and has been teaching the past three years at McFarland High School in Kern County, California. While at McFarland, Polillo also coached football and baseball.

Another addition to the science department will be Frank Terranova, graduate of San Francisco State College and with prior teaching experience at James Denman Junior High School in San Francisco, where he was also employed as a science teacher.

Hugh Wells, University of California and San Francisco State, mathematics and science major, will be teaching a full program of mathematics during the school year 1960-61. Wells has been teaching at Burlingame High School during the past school year.

State Schooling Or Church? Women's Topic

The varying advantages of state versus church supported colleges will be the August 30 discussion subject of the Westlake Lutheran Women.

The 8 p.m. meeting will be held at the church, 222 Avalon drive. A panel of Bay Area college students will examine the scholastic, spiritual and social points of both types of schooling. Special music will be provided by Mel Jaranson and a vocal quartet. The entire program will be M.C.'d by Pastor Charles Christian, who will also present a Bible study in the Book of Mark.

The silverware committee has purchased 35 place settings and urges all members and friends to bring their coupons to the meeting. Mrs. Al Keil can be contacted for information at PL 6-3638.

Hostesses for the evening are Mrs. Angelo Madero, Mrs. Arthur Jaranson, and Mrs. Fletcher Vinson.

Any interested young people, grades 7 through college are cordially invited to attend as guests of honor, and are encouraged to bring their parents.

Events scheduled for the fall season include a fashion show luncheon, sewing of children's clothing for foreign missions, and an address on the subject of juvenile delinquency.

SCHOOL BOYS MORE PRONE TO UNDERACHIEVEMENT THAN GIRLS

If your child is intelligent, but not as successful in school as he should be, he may be what educators call an "underachiever." As such, he and the thousands of others like him have recently been analyzed, surveyed, researched, probed, and conferred about by teachers, psychologists, curriculum supervisors, and guidance counselors.

Their purpose? To discover why people of similar intelligence often differ widely in school achievement. The National Education Association has been conducting a special project on the Academically Talented for the past two years. These are some of the things the experts have discovered about the underachieving child, and how he gets that way:

More boys than girls are underachievers. One researcher found that twice as many boys as girls fail to do the school work of which they are capable.

Lack of family interest in learning is sometimes the reason for scholastic underachievement in children of ability. In one study, a group of children who had failed the first grade were put into a special room for the next year.

During the period of investigation, teachers visited the home of each child. One of their observations was the lack of any kind of reading material in many of the homes. In others, they found these underachieving children had never visited the public library, only three or four blocks away. The children had seldom traveled outside of the city.

Underachievement sometimes results from a child's serious emotional disturbances.

Underachievers are usually less mature, lack self-confidence and have fewer real and deep interests compared with high-achievement youngsters.

Underachievers have less drive or determination to achieve than the highachievement group. Boys who succeed best in school have usually had early home training in independence, self-reliance, and self-direction. Many had been encouraged before the age of eight to find their way around the city, to try new things for themselves, to do well in competition, and to make their own friends.

What can be done to help bright underachievers live up to their high potentials? Educators are working on that problem, one of the most important and difficult ones to solve in every school. They do say this: the underachiever in high school should be taught the learning skills he failed to acquire in earlier grades. He will probably improve, too, if he has a teacher who is consistently interested in him as an individual, and who accepts him as a bright and able person with a need for special help.

AROUND TOWN

By ROY HURLBERT

THIS yarn, true for sure, just has to be repeated.

Bob Brachman, publicity man for Westlake Improvement Association and a superior sports scribbler for the biggest SF paper, alerted the FBI after receiving a "strange" missile last week from—of all places—Berlin, Germany.

Postcard inside the envelope offered Bob a job as a "propaganda director."

It was signed by an "Adolph."

And the stamp bore a picture of the infamous Nazi paperhanger.

Could have been from a practical joker—but who knows?

* * *

CHUCK Vincent, who'll finally assume the full title of city recreation director on September 1, is probably one of the most popular department heads in the municipal ranks.

Vincent is a hard worker and his zeal has brought many deserved compliments from residents of Daly City.

* * *

CITY Engineer Bill Chapman "qualified" for the fire department volunteer force Sunday by unusual circumstance.

Working a few hours at the office (on a normal relaxation day) Bill was ready to head home when he noticed a small palm tree ablaze outside the public works entrance.

Experienced in combat by emergencies, Chapman quickly spared the tree by dousing it with CO-2 from a fire extinguisher.

Fire Chief Elmer Kennedy hasn't ordered a citation as yet, but he'll no doubt keep Bill in mind when the regulars need some assistance.

* * *

DON'T be surprised if Callan Park ends up in the city of South San Francisco. The Industrial City fathers long have wanted this property. First thing they'll have to do is reduce their lot size requirements to 33 feet from the present 50. Councilman Guido Rozzi about two months ago suggested a complete "review" of South City's present zoning ordinance and master plan.

Could be Rozzi and his council confederates had Callan Park in the backs of their minds when his proposal was aired.

* * *

DOELGER engineer Ted Tronoff, former bomber pilot (about the same size as Mickey Rooney), estimated Monday night that initial construction on the Westmoor (Skyline) Shopping Center should start about a month from now. Completion date is early next spring—if all goes well.

Doelger is regretably behind schedule on his "Westmont" subdivision just across the Daly City boundary in Pacifica. The Coastside councilmen still aren't favorable to 33-foot lots. Also figured in this delay is a tri-city swap (DC-Pacifica-San Bruno) of a few small parcels of land. Getting two cities to agree is one thing. With three involved, you can get grey hairs quickly if you're a builder.

* * *

CITY Manager Edward Frank relays that his former secretary in Petaluma since his departure has been boosted to the post of assistant city manager.

"She's doing virtually the same work she did when I was there and the new title was long overdue," he noted.

Frank, incidentally, expects to leave the ranks of commuters later this month. He finally has narrowed his preference for a home in Daly City to two dwelling in Westlake.

"My wife, however, will have the final say," he added. "There's no doubt about who's boss at home."

* * *

WAY back then—

Daly City's city hall, 75 Wellington avenue, was dedicated on May 21, 1939.

H. H. Larsen was the contractor, and Julius F. Castelan was the city engineer at the time and served as government inspector for the job.

The building cost a total of $65,000 and was built via city bonds and a federal grant.

Daly City's council in 1939 consisted of Mayor Paul Selmi (recently city treasurer), Edmund Cavagnaro (now a city recreation commissioner), John Fahey, Henry Sundermann (father of the present DC police sergeant), and Julius Twesten.

Daly City's police department 21 years ago was headed by Chief A. L. Hilton. W. W. Sunderland was his sergeant. Officers were Edward Heim, William Bolger, J. G. Reardon, Joe Kusber, Joe Patten, A. J. Dalton, George Hopman (present city building inspector), George W. Savage, Rico Benedetti (now a police sergeant), and Edward Ford.

Mrs. A. L. Stockton was the city's treasurer.

Arthur J. Bodien was superintendent of the water department, assisted by current Fire Chief Elmer Kennedy. Water department employees were Vic Fenstermaker, Bert Leahy, Edward Olson and Gus Ford (now superintendent of same department). Mrs. L. T. Cook was the water clerk and her assistant was Sue Hopman.

MAIL THIS WEEK includes a postcard from Singapore, inked by excited Hazel Colwell, long-time Daly City elementary school teacher.

After stops in Hong Kong, Tokyo, Taipeh and Manila, it no doubt will be difficult for this perennial traveler to get back to the swing of the classroom.

Teachers are especially fortunate — getting about three months vacation with pay. The other nine months, however, are hectic enough and probably seem like 12.

* * *

DALY CITY issued some opportune publicity at the County Fair for its 1961 Fiftieth Birthday Week celebration.

The city manager informed councilmen Monday that 5000 circulars advertising the big event were distributed to Fairgoers by staffers of Daly City's booth.

* * *

YOU don't have to guess what almost everyone is asking Councilman Bob St. Clair these days.

Will the 49ers go all the way?

Bob's answer: "You can't condemn a trapper when he has skins hanging on the wall."

Meaning, of course, the three exhibition victories registered by the SF pros to date in very impressive fashion.

COURT ST. MARY OFFICIALS OUTLINE NEW TERM PROGRAM

Combining business with pleasure in preparation for the resumption of meetings for the ensuing term of Court St. Mary No. 1155, Catholic Daughters of America, Mrs. Arthur Dikas, Grand Regent, held a meeting of the various officers and chairmen at her Westlawn avenue home in Westlake, on Thursday evening, August 11.

With 21 ladies present, a tentative program was drawn up for the year.

At the close of the evening, Mrs. DeWitt Brunson and Mrs. Edward Pribula assisted the hostess in serving refreshments from a gaily decorated table.

Mrs. Dikas appointed the following standing committee chairmen for the term, to head and carry on the various phases of the Catholic Daughters program in endeavor to truly attain the Catholic Daughter motto of "Unity and Charity":

World Missions and Sewing, Mrs. Laurence DeFanti; Living Rosary, Mrs. Bruno Pustelnik; Social Welfare, Mrs. Louise M. Barnard; Sunshine, Mrs. Vincent Cooney; Education, Mrs. Carl Rollandi; Catholic Social Service Nylon Collection, Mrs. Timothy Christen; Membership Extension, Mrs. James J. O'Reilly; Court Bulletin, Mrs. Elmo Pucci; Legislation and Civil Defense, Mrs. Elio Ciardella; Share the Faith Program, Mrs. John L. Mackali; Confraternity of Christian Doctrine, Mrs. Carl Rollandi; Cancer Pad Sewing, Mrs. Milton Weckerle; Telephone, Mrs. Marcel Covell; Blood Bank, Mrs. Elio Ciardella; Public Relations, Mrs. Harvey Mumford; Hospitality, Mrs. Warren Steinback; Leper Bandages, Mrs. Fred Wettstein; Decorations, Mrs. Angella Johnson; Whist, Mrs. DeWitt Brunson.

Co-chairman for World Missions with Mrs. DeFanti will be Mrs. James Gallegher. Mrs. Milton Weckerle will again be chairman of Junior Court St. Mary, which is sponsored by the Senior Court.

The Rev. Matthew P. Sullivan will serve as the chaplain for Court St. Mary during this term.

DR. David F. Shapiro, a native of Philadelphia, is assistant superintendent in charge of business affairs for Jefferson Elementary School District. He is a graduate of Temple University and received his doctorate in education at Stanford. He has been with the Daly City district the past four years.

NEWLY ELECTED president of the Holy Angels' Women's Guild is Mrs. George Ellis. She will call to order the first meeting of the year on September 7 at 8 p.m.

Holy Angels Guild To Hold First Meeting Of Year

Holy Angels Women's Guild, Colma, will hold their first meeting of the year on September 7 at 8 p.m.

Mrs. George Ellis, the newly elected president, will present the budget for the coming year. Other officers to assist the president in carrying out the business for the busy year ahead are: Mesdames Alfred Predreddii, vice-president; Anthony Cain, recording secretary; William Wisecarver, corresponding secretary; Louis Tricerri, treasurer; and Frank Molinari, membership chairman.

The president invites all women of the parish to attend this meeting.

Rosh Hashonah Services Are Set Here

Congregation B'nai Israel will hold its High Holy Days—Rosh Hashonah and Yom Kippur—this year at the Rodeph Sholem sanctuary in San Francisco.

Rosh Hashonah falls on September 22 and 23: Yom Kippur on October 1. Services observe the holy days begin the night before.

Rabbi Solomon A. Shore of B'nai Israel will conduct the season services at the Silliman and Brussels streets sanctuary. They will be observed in the tradition of conservative Judaism.

Canter Gerry Marcus and soloist Mrs. Ernest Hartmann will assist Rabbi Shore. Readers wil lbe Rev. Jacob Strauss and Reuben Pinkus. Tickets for non-members at $10 apiece may be gotten at either of the congregations—B'nai Israel or Rodeph Sholem.

Sabbath eve services will be held at B'nai Israel August 26 at 8:30 p.m. The same evening birthday Sabbath will honor Sunday school celebrating their birthdays in August. They are Paul and Mark Benson, Laura Cohen, Sharon Davis, Jill Jacobs, David Klein, Barbara Kruger, Michael Marcus, David and Leonard Nordson, Judy and Martin Podolsky and Michael Pollett.

Electrical Objects Taken By Burglar

A burglar raided the basement apartment of Terry Ray, 92 Los Olivos avenue, Sunday between 10 a.m. and 6:30 p.m. and got away with three electrical devices—a drill, plastic clock and a hot plate.

Officer R. C. Sims reported that entry was made via a rear basement door. Ray estimated his loss at $28 in cash value.

Old Glory Post Cooks For Gals; Summer Fete At Santa Clara

Old Glory Post No. 2044, Veterans of Foreign Wars, joined 40 other posts a week ago Sunday for the first group barbecue and baseball at Santa Clara Fairgrounds.

After the posts of the 12th District met, the men—on their own—did the outside cooking. The rousing baseball game ended the district's last meeting until November, under Commander Mel Danz of San Mateo and Auxiliary President Rose Fisher-Bostick of Daly City.

In other VFW events:

Pat M. Fawcett, Susan Goforth, and Richard Breilh represented Old Glory Post and Ladies Auxiliary at the steak barbecue and dance, sponsored by Mission Santa Clara Post No. 3982 V.F.W. August 13. The evening featured a six-piece band.

Ann Walters and Emma Porter, secretary and senior vice president of the auxiliary were off to the Palo Alto Hospital this month to take the auxiliary's "adopted sister," a patient at the hospital, on a shopping tour and luncheon. It's doubtful who had more enjoyment. A monthly "potluck and long table game" is again going strong.

Commander Peter J. Becker of Old Glory Post No. 2044 announces that reimbursement up to $250 for the burial expenses of veterans is available to the firm or person who bore the expenses. The veteran must have been: (1) honorably discharged with wartime service; (2) discharged or retired from service for a disability incurred or aggravated in line of duty; (3) receiving disability compensation at the time of death, or would have been, except for the receipt of retirement pay. Reimbursement is payable by the Federal Veterans Administration, although state law provides for the county to pay up to $250 burial allowance if the federal reimbursement is not available and if the veteran died without sufficient means.

You Name It--California's 107th Annual Fair Features Everything

SACRAMENTO — Preparations are now in the final stages for the unveiling, August 31, of the West's brightest and most dazzling show window — the 107th California State Fair.

Tickets for the Fair and its many varied events are on sale, and entries in all fields, ranging from beauty contests to home economics, art exhibits and livestock, are hitting a new high.

Judging in some events already has been completed and in others is underway.

This year's 12-day Fair promises to be the biggest in State Fair history, with a wider range of entertainment, exhibits and programs of general interest for Fairgoers of all ages.

By the end of this week the first of more than 5000 head of livestock will be moved onto the grounds, and hundreds of horses that will compete in the horse show and the 10-day racing program will be quartered in the paddocks.

As of early this week, a total of 41 beautiful young women from all parts of California were entered in the Maid of California contest, with approximately 50 girls expected by Fairtime.

There will be a total of seven queens at this year's Fair. The Maid of California; the California Rodeo Queen, who will be chosen here; Forest Products Queen; Dairy Products Queen; Wine Industries Queen; NASCAR Queen; and radio and TV's Queen For A Day also will visit the Fair.

Six beautiful young horsewomen now have entered the Rodeo Queen contest, and the winner, who will be crowned "Miss Rodeo of California," will be chosen on September 8, opening night of the Rodeo.

The Rodeo will be staged on the final four nights of the Fair, and 150 of the nation's top riders, ropers and bulldoggers are expected to compete.

Work is now in full swing on the coloreful and exotic exhibits that will be housed in the Counties Building. A total of 48 counties, a new record for the Fair, will have exhibits on display this year.

Everywhere on the 207-acre Fairgrounds there will be flowers—a million blooms, ranging from marigolds to rare orchids, and the Hall of Flowers, a favorite of Fairgoers of all ages, will be filled to overflowing.

A new feature, the State Fair "Missile Park," will be located in an outdoor area between the Woman's Building and the Industrial Building, and, through the cooperation of the nation's Armed Forces, will display the very latest in American rocketry.

In the center of the exhibit will be the 98-foot tall Titan Missile, production of the Air Force, and beside it the Navy's deadly Polaris.

Other missiles, rocket motors, and rocket information will complete this vast layout of military power.

As for entertainment, free grandstand shows will be offered each evening of the Fair, and the Outdoor Theater again will stage free shows throughout the day and evening.

A new addition is the Arcade Stage, located in the Junior Division area, where free shows will be presented.

Two dozen bands and orchestras, including the State Fair Orchestra featuring movie and TV star Mel Torme as vocalist, will perform hourly throughout the Fair.

Mounted Sheriff's Posses from California, Idaho, Utah and Nevada will present thrilling drills at the horse show and grandstand.

A huge art show, featuring paintings, sculpture, photography, and other crafts, will fill the big Art Building and outdoor art stage.

Future Farmers and 4-H'ers will be here by the thousands to take part in special programs, present their livestock and farm exhibits, and finally, attend the Fair's nationally famous Fat Stock Sale.

Folk Dance Festivals, special luncheons for leading industries of California, and a program honoring California's oldest business firms will be held throughout the Fair.

Awards to California's press, radio and TV industries will be another highlight of the 12-day program.

And, for the convenience of the thousands who will attend daily, the Fair has arranged off-grounds parking with shuttle bus service to the Fairgrounds, helping to do away with traffic congestion and making your visit to this year's Fair more pleasant than ever.

DEMOCRATS PRIMING FOR NOV. ELECTION

The North End Democrat Club will hold its regular meeting Thursday, August 25, at 8:15 p.m. Meeting place will be the Garden Village School, 208 Garden Lane, Colma.

Points on the agenda are the coming election, plans for precinct work and the Dollars for Democrats Drive.

Guest speaker is Joseph Houghteling, vice chairman of the Northern California Citizens for Kennedy. Houghteling is publisher of the Mountain View Register-Leader and the Sunnyvale Standard. He is also a member of the California State Park Commission.

Houghteling was a delegate to the national convention in 1956 and 1960.

DALY CITY VOLKSWAGEN

OPEN EVERY NIGHT UNTIL 9, ALL DAY SATURDAY, SUNDAY

6918 Mission Daly City PL 6-0202

MR. AND MRS. L. A. Coppom of San Carlos recently announced the engagement of their daughter Susan to Edward Leveroni of 167 Mateo avenue, Daly City. Leveroni is a graduate of Jefferson High School and San Mateo College. Miss Coppom graduated from Carlmont High and also attended San Mateo College.

Smith Studio photo

Susan Coppom Of San Carlos Engaged To DC's Ed Leveroni

Mr. and Mrs. L. A. Coppom of San Carlos announced the engagement of their daughter Susan, 20, to Edward Leveroni, 22, son of Mr. and Mrs. Charles Leveroni, 167 Mateo avenue, Daly City.

The wedding is planned for late fall at St. Charles Church in San Carlos.

Miss Coppom attended Carlmont High School and San Mateo College. She has four brothers and one sister.

Her fiance graduated from Jefferson High School in 1957, and also attended San Mateo college. He has one brother.

TERRA NOVA, OCEANA TO OPEN IN '61

In September 1961, the Jefferson Union High School District plans to open two new high schools. Both schools are located within the city limits of Pacifica—Oceana is due east of Highway One in the Sharp Park area; Terra Nova is north east of the Linda Mar section.

Between now and September 1961, more than $2½ million in state and local funds will have been expended on each school—Oceana, $2,585,268; Terra Nova, $2,511,597.

The first increment of each school is designed to house approximately 950 students. Each will have the following facilities: thirteen General Classrooms, two Business Education, four Science (Chemistry, Physics, Biology, General), one Homemaking Room, one Music Room, one Art, one Crafts Room, three Shops (Wood, Auto, Electric), one Multi-purpose Room, one Mentally Retarded Station, Library, Gymnasium, Shower and Locker Room, Snack Bar, Administrative Area.

At the present time, Oceana is master-planned for 1500 students, Terra Nova for 1800. Enrollment projections indicate that the second increment for both schools will be started within a few years.

Leaders At New School Busy During Summer

During the summer, a number of Oceana High School students, representing the newly formed student government to be known as the Associated Students of Oceana High School, have been busily engaged in formulating and drafting the constitution that will govern the students. The group met once a week for seven weeks under the leadership of George W. Hinkle, faculty advisor, and Ron Ball, temporary chairman of the student body. His group was composed of the following class representatives: Freshmen, Virginia Giomi, Nancy Leers and Phillip Wells; Sophomores, Pat Bisio, Rosalie Grayson, Kay Marshall and Karen Post; Juniors, Jim Boyette and Jim Buchanan.

In addition to drafting the constitution, school colors, school nickname, songs and school activities were discussed.

The constitution, along with the school nickname and school colors, will be presented to the student body for ratification when school convenes this September.

The student group thanked the Laguna Salada Elementary School district for permitting the use of their facilities which provided a convenient meeting place.

W'moor Student Body Heads Plan Active Semester

Westmoor High School student body has elected the following students to serve as their leaders for the fall semester 1960:

President, Terry Christman; vice-president, Judy Clearwater; secretary, Rena Bialos; treasurer, Lyn Burkey; judge, Frances Schrumpf; Comm. of Publications, Ruth Thomas; Comm. of Clubs, Jim Gray; Head Sgt. at Arms, Susan Del Sarto.

Head cheeerleader, Pat Hunter.

Cheerleaders Renee LeTourneaux, Sherry Brown, Sue Mason, Joyce Navarro.

Pep Girls: Jeannie Borba, Maureen Collins, Pat Coleman, Julie Fontana, Sandy Williams.

Frosh Cheerleaders: Laverne Carter, Lavonne Carter, Charlotte Corvo, Karen Brearley.

Mascots: Tennie Rice and Mary Varden.

Various student body officers plus class presidents which will be elected at the beginning of the school year, will serve as the Westmoor High School Executive Board. Student Body President Christman was elected unanimously during the spring elections to serve as this term's student body leader. Terry has been an excellent student and was a member of the varsity basketball and baseball teams.

President Christman has called a meeting of the Executive Board to coordinate and preside at the Freshman Orientation meeting in the Westmoor cafeteria on September 1, at 8 a.m., for freshman students and students new to the district, who will meet at this time for general school orientation, programming and testing.

About two-thirds of California's farms have irrigation.

Two Daly City Girl Scouts 'Camp' Veterans

Two Daly City-Colma Girl Scouts have returned from their respective campsites — Ann Mori from the National All-Wilderness Encampment in Bend, Oregon, and Joann Spinetti from the High Sierra Caravan.

The highlight of Ann's trip was the eight-hour hike to the summit of Broken Top, 9152 feet high. It took less than two hours to come down. Ann also enjoyed the closeness of contact with the Finnish Girl Guide, Anshi. From her she learned that in Finland, teenage girls under 20 years act as leaders of the younger Brownie-age girls.

The chief purpose of this wilderness gathering is to show that Girl Scouts in the 16-to-19 age groups can be on their own and don't need adult leadership.

More than 100 Girl Scouts from all over the United States and seven foreign countries attended.

Joann Spinetti's Caravan trip took her to four different Girl Scout camps:

At Deer Lake, near Donner Lake, the 40 Girl Scouts enjoyed rowboating, canoeing, and archery.

Two Sentinels, in El Dorado County, was especially good for canoeing, rowing and swimming.

Sandierra, near Sonora, was excellent for hiking and "lazying around."

Sugarpine, in Calaveras County, was more like a summer resort. It had a fine swimmig pool and a novel punch faucet where girls could help themselves. Horseback was also enjoyed here.

Joann especially enjoyed the side trips to Donner Lake, Squaw Valley, Lake Tahoe, and the Mother Lode country. The girls panned for gold but found none; they celebrated three birthdays, held a Scouts' Own, and enjoyed the campfire programs.

Ann hopes to be a Girl Scout leader some day after she is through with college. Joan, a junior in Jefferson High School, still has two years of Senior Scouting.

'Bronco Busters' Invite Public To New Dance Class

A beginners square dance class sponsored by the Bronco Busters Square Dance Club will start at the Church Hall, 31 and Clement street, San Francisco, on Tuesday, September 6, and registration will close on September 13, it was announced today.

The public is invited. Classes will be held from 8 p.m. to 10 p.m. Arne Nielsen, club caller, will be the instructor.

PTA Paper Drive Set For October

Hillside PTA is planning a paper drive for sometime in October.

A spokesman for the unit today urged residents to begin setting aside their old newspapers and magazines for this project.

All funds raised by the drive will be used for PTA activities. Hillside PTA serves Colma K-6 and Colma Intermediate schools.

Los Angeles is America's leading milk producing county.

WESTMOOR HIGH TO WELCOME 1325 STUDENTS ON SEPT. 12

Principal Glenn South announced today that Westmoor High School will open the school year on September 12 at 7:40 a.m. in the Boys' Gymnasium, where instructions will be given on the opening day of school.

The daily period schedule provides for six periods, with school ending at 12:15. Oceana High School will be in session from 12:30 to 5:05 p.m. in the same school plant. This schedule is necessary until such time as the new high schools in Pacifica are completed. The period time schedule will be:

7:40-8:20—1st period
8:25-9:05—2nd period
9:10-9:50—3rd period
9:55-10:05—Brunch
10:05-10:45—4th period
10:50-11:30—5th period
11:35-12:15—6th period

1325 students are expected on opening day and 65 teachers are eagerly awaiting their arrival. Teachers by departments are: (English) Mr. Ardis, Mrs. Brown, Mrs. Cahill, Mr. Doyle, Mr. Dunning, Mrs. Finnerty, Miss Holden, Mrs. Lindfors, Miss Lory, Mr. Moore, and Miss Slater; (Social Studies) Mr. Blancke, Mr. Grosser, Miss Henson, Mr. Hyde, Mr. Maionchi, Mrs. McWhinny, Miss Reynolds, Mr. Runnells, Miss Seidel, Mr. Weidner, Mr. Wolf, Mr. Zimmerman.

(Mathematics) Mr. Crittenden, Mr. Curtis, Mr. Hart, Mr. Kepfer, Mr. Potts, Mr. Snyder, Mr. Terzian, Mr. Wells; (Science) Mr. Logan, Mr. Capitolo, Mr. Ferrante, Mr. Kaufeldt, Mr. Terranova; (Foreign Language) Mrs. Coupe, Mrs. Hinz, Mr. MacDonald, Mr. Miguel, Mrs. Capitolo.

(Industrial Arts) Mr. Carlson, Mr. Chrestionson, Mr. Simon, Mr. Vogt, Mr. Polillo; (Business Education) Mr. Graubart, Mr. Parker, Mr. Perez, Mrs. Ravenel, Mrs. Woolf; (Homemaking) Mrs. Kelly, Mrs. Sweeney; (Fine Arts) Mr. Jones, Mr. Loeffler, Mr. Nissen.

(Physical Education) Miss Bosio, Miss Clark, Mrs. Smith, Miss Minaker, Mr. Carr, Mr. Giammona, Mr. Losberger, Mr. Matisi, Mr. Van Alstyne. Mr. Blevins will instruct the special education classes.

Eleven Teachers Begin Year With Jefferson High

Jefferson High School will list 11 new names to its faculty roll for the 1960-61 school year. Ten of these teachers are new to the district and one, Miss Nancy Brown, is returning to the Physical Education Department after four years teaching at San Francisco State College.

James Ballard, mathematics, is a graduate of San Francisco State with experience at both the Universities of Illinois and Louisville.

Gilbert Crane, Spanish and chorus, graduated from San Francisco State where he completed an M.A. in music with a minor in Spanish.

Bruce Cunningham, world history and social studies, graduated from San Jose State College with a major in Social Science and a minor in Physical Education.

Dion Dubois, English, is a graduate of the University of San Francisco where he majored in English and minored in history.

James Force, civics and world history, graduated from the University of Arizona with a major in history and minor in English. Force received his M.A. from Columbia University and formerly taught at the University of Arizona.

Miss Helen Francos, world history and world affairs, is a graduate of the University of California, having majored in political science. Miss Francos received her M.A. from Columbia University.

Eugene Ravaglioli, U.S. history and social studies, graduated from San Francisco State and has taught for one year at Mission High School in San Francisco.

Mrs. Debra Simmons, world history and social studies, is a graduate of the University of California Los Angeles. Mrs. Simmons has taught at Webster Junior High School and Hamilton High School in Los Angeles.

Napoleon Triplett, science and biology, graduated from San Francisco State College and has taught in Yolo County, California, and at Mission High School in San Francisco.

Lewis White, Science, is a graduate of San Francisco State with a major in science and a minor in Physical Science. White has completed graduate work at San Francisco State.

Several of the above named teachers will be replacing former Jefferson faculty members who have left this year; others will increase the number of teachers on the school roll. In all, the faculty roll will list 72 members for the school year 1960-61.

MISS Nancy Tomlinson, daughter of Mr. and Mrs. H. G. Hinshaw of Pacifica, and Paul Shipp, son of Mr. and Mrs. W. P. Hansen of Westlake, were married recently at the Church of the Good Shepherd in Pacifica. Kaufman Studio photo

Jefferson High Renovation A Step Forward

After many months of required surveys, conferences with the State Department of Education, State Department of Architecture, and the State Department of Finance, the Jefferson Union High School District Board of Trustees passed the necessary resolutions on August 1, to renevate and rebuild most of Jefferson High School's existing buildings.

On August 22, a site plan was presented by Architect Mario J. Ciampi to the local board.

As previously announced, the school's present gymnasium will be renevated with facilities added to accommodate a total enrollment of 1700. As constructed, the gymnasium was built for 700 students. The bulk of the new work will consist of installing locker and shower facilities beneath the present main gymnasium and locker rooms for 1700 students.

Within the next few years the entire main building will be demolished. Taking its place will be new classrooms consisting of: five Science Labs (Biology, Physics, Chemistry, and two General Science Rooms), one Music, one Art, one Crafts, one Mechanical Drawing, one Library, one Point One Room, Administration space.

The Board reached its decision to demolish after it was clearly shown that it would be more economical to build new classrooms than to attempt to make the present areas structurally safe.

In addition to the above listed work, the school's present auto, metal and wood shops will be completely renovated and modernized.

While the new school is being constructed, students will continue to use a portion of the present buildings. The administration is now working with the architect attempting to coordinate a schedule which will permit use of present facilities with a minimum of interference.

Teachers Meet September 7, 8 At Westmoor Hi

On Wednesday morning, September 7, in the Jefferson Cafeteria, District Superintendent Edward Morgan will meet with the 54 new teachers of the Jefferson Union High School District.

During this general orientation meeting, the Superintendent will carefully explain the rules and regulations of the board of trustees and the district's policies.

Wednesday afternoon, teachers new to the district will meet with Principal John Mongan (Jefferson), Principal Glenn South (Westmoor), and Principal Harold Tonini (Oceana).

While Mr. Morgan is meeting with new instructors, Dr. John Ivan, Director of Instruction, will be meeting with the district principals, vice-principals, deans, counsellors, department heads, psychologist, case worker, nurses, librarians, and audio-visual director in the Westmoor Little Theatre.

On Thursday, from 8:30 to 10:00 a.m., the Superintendent will conduct a general faculty meeting for all new and returnig teachers. This meeting will be held in the Westmoor Little Theatre. At the conclusion of Morgan's meeting, individual faculty meetings will be held for the Jefferson teachers in the Jefferson Cafeteria; for Westmoor teachers in the Westmoor Little Theatre; and for Oceana teachers in the Westmoor library.

On Monday, September 12, the 1960-61 school year will officially begin. Jefferson is expecting an enrollment of 1500 students; Westmoor, 1375; and Oceana, 970.

New Oceana Frosh Await Orientation

An orientation program will be held at 1 p.m. next Thursday, at Westmoor High School for all Oceana High School freshmen and students new to the district. The program has been planned to acquaint all new students with the physical facilities, their individual class schedules and general school regulations.

Promptly at 1 p.m. the students will meet in the gymnasium for a general assembly. The administration, football coach and chairman of the student leadership group, Ron Ball, will introduce and discuss student government, social functions, attendance regulations, counseling, guidance and testing.

Students already tested will then attend a home room meeting under the guidance of a freshman advisor. Each student will be given a copy of their class schedule, and after a question and answer period, will make an unescorted tour of the school.

Students will also have an opportunity to locate their lockers and check their combinations. Busses for this group will return to Pacifica at 3:10 p.m.

Students who have not been tested, mainly students new to the district, will report to the cafeteria for testing after the general assembly. This group will board busses for Pacifica at 4 p.m.

Busses for the orientation program will pick up students at their regular bus stop 20 to 30 minutes later than the regular school bus schedule. Parents and students are requested to check the papers for the published bus schedule.

More DC Donors

OCEANA HAS 50 TEACHERS, 950 HIGH SCHOOLERS

Oceana High School principal, Dr. Harold C. Tonini, along with 18 former Jefferson and Westmoor teachers and 32 new teachers will welcome 950 Pacifica students on September 12 when the new high school opens on the Westmoor campus. Oceana will house all ninth, tenth and eleventh grade students from Pacifica, with Coastside twelfth graders remaining at Westmoor High School.

Capably assisting in administration are Mr. Ernest Ribera, Dean of Boys, and Mrs. Alberta Carlen, Dean of Girls. Both deans are former Westmoor teachers and counselors. The class counselors are Llewellyn Reese, freshmen, Miss Hannah Iobst, sophomore, and George Hinkle, juniors. Hinkle also will advise the student body executive board.

The following department chairmen have been appointed: Lee Mosher, art; Hinkle, business; Robert Gross, English; Mrs. Elizabeth Carlson, homemaking; Frank Lawler, industrial arts; Joseph Witherow, language; Ross Rodgers, methematics; William Whalen, music; Floyd Gonella, physical education; Clarence Lair, science; and Mrs. Richard Coltrell, social studies.

Class hours for the new high school are as follows:

1°	12:30 - 1:10
2°	1:15 - 1:55
3°	2:00 - 2:40
Brunch	2:40 - 2:50
4°	2:55 - 3:35
5°	3:40 - 4:20
6°	4:25 - 5:05

Bus transportation will be furnished by the district and all students will arrive at approximately 12:20 p.m. each day. Departure time will be 5:15 p.m.

COUNSELLORS AVAILABLE FOR PARENTS ALSO

For the school year 1960-61, the Counseling and Guidance staff of Jefferson High School will be directed by the Dean of Girls, Miss Ada Wood and the Dean of Boys, Mr. Donnal Behm.

Six counselors will serve in the specific grade levels: Miss Julianne Jansen and Lloyd Silberstein—freshmen; Miss Elizabeth Hall and Robert Watt — sophomores; Miss Marjorie Erickson and Mrs. Gladys Rodgers —juniors. Senior counseling and guidance will be performed by the two deans.

It should be emphasized that the counseling and guidance staff is intended to aid both the students and parents in all problem areas related to their educational experiences. The student may request an interview with his counselor at any time he feels the need; the parent may arrange an interview with a counselor by a phone call or personal request to the main office.

To supplement the efforts of the deans and counselors at Jefferson High School, the school district has procured the services of Dr. Kenneth Blood, District Psychologist, and Mrs. Anne Kirschner, Case Worker.

Mercy Guild Meet Set September 15

Mrs. Albert E. Maggio, president, will preside at the meeting at the Mercy Guild to be held on Thursday evening, September 15, at 8 o'clock in Rist Hall.

Plans for the luncheon and fashion show, "Fall Fun Fashion," October 29, will be discussed.

Mrs. Joseph Tinney, program chairman, will present Sister Mary Martin, the principal, who will introduce the faculty.

Eighty-four Percent Of Bicycle Accidents Fault Of Bike Driver

While more students are riding to and from school than ever before, and bike riding is one of the safest participant activities in the nation, student cyclists are failing to protect themselves from mishaps as fully as possible through the careful observance of simple traffic laws.

Considering that more than 27 million bike owners enjoy cycling, and a total of 55 million riders are in the nation, bike riding is one of the safest participant activities in America.

But, according to a recent survey by the 4-H Club, 52.3 percent of the low bicycle accident rate figures are directly attributable to the cyclist's failure to observe traffic laws. About 31.6 percent of the mishaps have been judged as the rider's failure to control the bike properly. Only 1.4 percent of the accidents are due to mechanical failure of the bike, and 14.7 percent are the motorists' responsibility.

Children, authorities say, should be taught that the bike is a vehicle. As such, it is subject to all vehicle traffic laws. Riders drive with traffic, on the right-hand side of the road. They must obey all stop, caution and warning signs and give the pedestrian the right-of-way.

Each bike should include, as standard equipment, lights, reflectors and warning devices as required by local law, the Bicycle Institute of America has pointed out.

As an additional safeguard, all bikes should be inspected and repaired as necessary prior to being used as for school transportation.

The inspection should cover lights and signalling equipment, pedals and brakes, tires and wheel alignment, seat post and steering assembly.

Police officials have pointed out that a well maintained bike is a necessity if it is to be dependable as school transportation, and emphasized that cyclists who learn and observe the necessary traffic regulations almost invariabiy make superior automobile drivers in shorter-than-average periods of time.

Rifle Taken Here

Rudolph DuBord, 209 Woodrow street, told Officer William Schumacher that 10 sport shirts and a .30 caliber Winchester rifle had been stolen from his home sometime last week.

DuBord placed value on the items at $155.

177 Teaching Days On Jefferson High School Calendar

On September 12, the schools, Jefferson, Westmoor, and Oceana, of the Jefferson Union High School District will open their doors for the 1960 - 61 school year.

The school calendar, as adopted by the board, calls for 177 days of instruction. These instruction days embrace 282 calendar days

The first quarter of the school year will close on November 10. The second quarter and first semester on February 3. The third quarter on April 14, and the fourth quarter and second semester on June 16, 1961.

During the course of the school year the following holidays will be observed: November 11, 24, 25; December 19 to January 2 inclusive; February 13, 22; March 27 to 31 inclusive; May 30.

The 1961 Summer School will open on June 21 and close August 15.

The regular and summer sessions will have 216 teaching days and will run from September 12, 1960 to August 15, 1961, a total of 338 calendar days.

Ct. St. Mary Resumes Meets At OLPH Hall

After enjoying an uninterrupted six-week summer recess, members of Court St. Mary No. 1155, Catholic Daughters of America, have resumed their regular meeting schedule and meet on the first and third Thursdays of the month at Our Lady of Perpetual Help Hall in Daly City.

The first meeting of this new term was held last Thursday evening, August 18, at which time Mrs. Arthur Dikas of Westlake, the new Grand Regent who succeeded Mrs. DeWitt Brunson of San Bruno, assumed her position along with the other new officers; Mrs. Elmo Pucci, vice regent; Mrs. Warren Steinback, prophetess; Mrs. John Kulik, hostorian; Mrs. Maurice Clark, monitor; Mrs. James O'Reilly, lecturer; Mrs. Curtis Collins, financial secretary; Mrs. Louise M. Barnard, treasurer; Mrs. Marcel Covell, sentinel; Mrs. DeWitt Brunson and Mrs. Gerald O'Reilly, trustees. They will join Mrs. Laurence DeFanti, Mrs. Carl Rollandi and Mrs. Harvey Mumford on the present board of trustees.

Mrs. Dikas appointed Mrs. Pucci general chairman of the Court's annual birthday dinner, which will be held the latter part of September.

The first whist of the term will be held the evening of September 15 at the Our Lady of Perpetual Help Hall, according to Mrs. Brunson, whist chairman.

Mrs. Warren Steinback, court prophetess, and her two daughters, Sara and Clara, returned to their Daly City home on Sunday, August 14, after a two-month vacation visiting relatives in Boston, Mass.

Dressed in the baptismal attire that has been in the family for over half a century was Margarite Ann, infant daughter of court trustee and public relations chairman Mrs. Harvey Mumford, at her Baptism on Sunday, August 14, at the Our Lady of Perpetual Help Church. The Rev. James Bergin officiated.

Daughters were also born this summer to Court St. Mary members Mrs. Charles Wettstein and Mrs. Timothy Christen, and a son to Mrs. Fred Wettstein Jr.

Luncheon Set By Westlake Hadassah Unit

The Westlake Group of Hadassah will hold a membership luncheon on Tuesday, August 30, at noon in the home of Mrs. Henry Evans, 199 Northgate drive.

The purpose of the luncheon will be to introduce new and prospective members to the activities and principles of the organization. Guest speaker will be former president Mrs. Maurice Heppner.

All interested women from the San Francisco, Westlake, St. Francis Heights and Crestmoor Park areas, as well as other northern Peninsula points are invited. Those needing transportation are asked to call Mrs. Jerome Urbach at LOmbard 4-0514 or Mrs. Peter Kerreos at PLaza 5-0329.

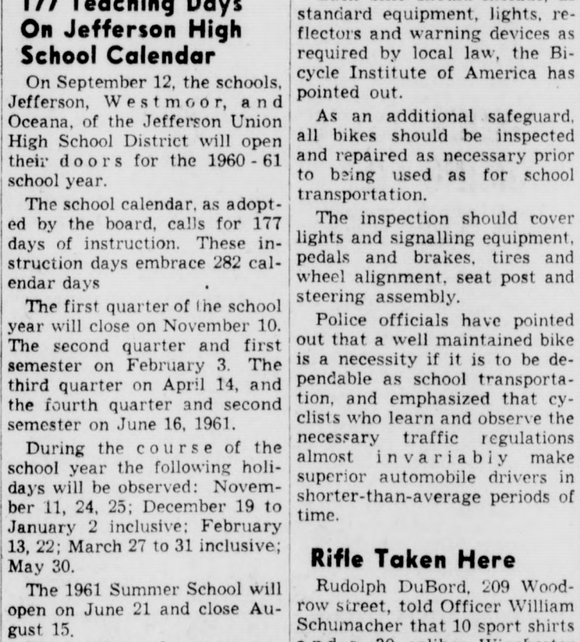
St. Veronica Women Plan 'Into Orbit'

Summer still coddles the Peninsula in its warm embrace but members of St. Veronica's Women's Club are already deep in plans for their ninth annual Fall style show, "Into Orbit with Fashions."

Mrs. James McTiernan, chairman, announces that the noonday event will take place on Saturday, October 15, at the Villa Hotel in San Mateo. Mrs. Helen Harris Benioff will be in the role of commentator, describing daytime, playtime and evening wear from Benioff's, San Francisco.

Committee heads "up in the air" with designs as the project is launched are the Mmes. James Keane and George Drier, reservations; Patrick Ahern, awards; John Ward, hosteses; Edward Corrigan, models; Ray Partridge, programs, and Richard Harnett, publicity.

Proceeds from this main affair of the Club's social season will go to the parish building fund.



RICHARD L. Foster is beginning his second year as superintendent of Daly City-Colma's Jefferson Elementary School District. A former Navy officer, his extracurricular activities include instructing teacher candidates at University of California and San Francisco State College.

'Western Night' Musical Feature At W'lake Baptist This Sunday

It's Western Night" at Westlake Community Baptist Church next Sunday evening. Guitars, piano accordions and violins will accompany congregational and vocal groups singing frontier-type religious music. Participants will wear ranch and frontier clothing. Pastor Lynn Hodges has announced his sermon topic to be "Headin' For the Last Roundup." Appropriate decorations and props will add to the atmosphere of this unusual service.

In Topeka, Kansas, where the Reverend Hodges pastored before coming to Westlake, "Western Night" became a looked forward to annual affair attended by hundreds of people. It is believed that this first meeting Sunday will begin a similar annual tradition for the Bay Area.

Some of the music to be used is: "It Is No Secret," "Mansion Over The Hill Top," "Old Time Religion," "Tempted and Tried," "Old Fashioned Meeting In An Old Fashioned Place," and other songs of this nature.

Westlake Community Church is located at Southgate and Elmwood in Daly City near Westlake Shopping Center. The public is invited to attend "Western Night." There will be no admission charge. Starting time is 7 p.m.

Church of Christ Ladies To Meet Friday Morning

The 17th street Church of Christ ladies bible classes will meet this Friday at 10:30 a.m. in the home of Mrs. Don Phillips, 31 Westridge road, Daly City.

Instead of the usual customary class study, Mrs. George Trice will speak. Her topic will be "The Joy Formula." She recently gave this same speech to a group at the summer lectureship at Pepperdine College in Los Angeles.

ORDER TO SHOW CAUSE

No. 90658

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

In the matter of the application of:

MARVIN HENRY SILVERMAN

FAYE REGINA SILVERMAN

for change of name.

MARVIN HENRY SILVERMAN and FAYE REGINA SILVERMAN, his wife, residents of the County of San Mateo State of California, have this day filed herein their application praying for an order of this Court changing their present names to the proposed names, MARVIN HENRY STEELE and FAY REGINA STEELE.

IT IS ORDERED that all persons interested in the above-entitled matter appear before the said Superior Court in Department of Presiding Judge thereof, at the Hall of Justice in said County, on the 14th day of September at 9:45 o'clock A. M. of said day, to SHOW CAUSE, if any they have, why the said application for change of names should not be granted.

AND IT IS FURTHER ORDERED that a copy of this order be published, pursuant to Government Code Section 6064, in the Daly City Record, a newspaper of general circulation printed and published in the said County of San Mateo, once a week for four successive weeks prior to the said 14th day of September, 1960.

Dated: AUG. 11, 1960.

J. A. BRANSON
Judge of the Superior Court

Mrs. Zappettini Rides In Pacific Festival Parade

Mrs. W. J. Zappettini, 41 Crestwood drive, Daly City, in top hat, white tie and tails, rides her mounted parade horse in the Pacific Festival Parade, San Francisco, September 10.

Stars of screen and television join the festivities along with marching band units of the U.S. Armed Forces and special floats representing Pacific nations. Starting at the foot of Market street in a surge of banners, flags and floats, with bands, drill teams, drum and bugle corps, marching and mounted units, the Pacific Festival Youth Parade rolls uptown to pass in final grandstand review at the Civic Center where judges will make awards.

The parade is one of the leading attractions of the annual Pacific Festival, September 9-18, which is dedicated to forming closer commercial and cultural ties among nations of the Pacific Basin.

Ordinance No. 522

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City, and

WHEREAS, a petition has been filed to change zoning in the following described property and thereby to amend said Ordinance No. 294, and

WHEREAS, all necessary proceedings both before the Planning Commission of the City of Daly City and the City Council of the City of Daly, as required by the Government Code of the State of California have been duly and regularly conducted, and

WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City requires that the following change of zoning classification be established, and

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to health, safety, morals, comfort or general welfare of the City of Daly City and is not designed for the exclusive benefit of the applicant for said zoning;

NOW, THEREFORE, Ordinance No. 294 of the City of Daly City is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, to R-3 from R-1 classification.

Said property is described as follows:

All that real property situated in the City of Daly City, County of San Mateo, State of California, as follows:

Lots 1 and 2 in Block No. 18, Map No. 1, Vista Grande, at 156 and 168 Westlake Avenue.

This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

Introduced this 8th day of August, 1960.

Passed and adopted as an ordinance of the City of Daly City the 22nd day of August, 1960, by the following vote:

AYES, Councilmen:
DeBernardi, Dennis, St. Clair, Paccelli
NOES, Councilmen: None
ABSENT, Councilmen:

NOTICE INVITING SEALED PROPOSALS GARAGE MOVING PROJECT

NORTH SAN MATEO COUNTY SANITATION DISTRICT

NOTICE IS HEREBY GIVEN that sealed proposals or bids will be publicly opened, examined and declared on September 12, 1960, at the hour of 9:30 o'clock A.M. at the meeting place of the Board of Directors of North San Mateo County Sanitation District, Sewage Disposal Plant, 153 Lake Merced Boulevard, Daly City, California, for the moving of a garage at the District's sewage treatment plant site in Daly City, California.

Said proposals or bids must be enclosed in sealed envelopes addressed "North San Mateo County Sanitation District, Sewage Disposal Plant, 153 Lake Merced Boulevard, Daly City, California", and delivered to the Secretary of said District at the regular place of meeting, Sewage Disposal Plant, 153 Lake Merced Boulevard, Daly City, California, at or before 9:30 o'clock A.M. of said day, and endorsed "Proposal—Moving of Garage, Daly City".

Payments for said work to be done by the Contractor shall be made in cash by said District to the Contractor on itemized estimates duly certified and approved by the District Engineer and the Board of Directors, based on labor and materials performed and furnished and incorporated into said work during the preceding month, but said District shall retain 10% of the amount of each of such estimates, and the accumulation of said amounts so retained will be paid to said Contractor thirty-five days after the completion and acceptance of said work by said Engineer of District and the Board of Directors.

All proposals or bids shall be accompanied by a check payable to the order of the District, amounting to 10% of the bid, or by a bond in said amount and payable to said District, signed by a corporate surety or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District, in case the bidder depositing the same does not, within ten (10) days after written notice that the contract has been awarded to him, enter into a contract with the District, the faithful performance of which shall be secured by an undertaking in the amount of 50% of the amount of said bid with sureties satisfactory to the said Board of Directors, and which shall be accompanied by a labor and material bond in a sum equal to 50% of the amount of said bid under the provisions of Title 1, Division 5, Chapter 3 of the Government Code.

Notice is hereby given that on August 15, 1960, the said Board of Directors adopted a resolution determining the general prevailing rate of per diem wages in the locality in which the public work herein provided is to be done for each craft or type of workman needed to execute the contract, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for a full and detailed description thereof.

The District reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

Plans and specifications may be obtained at the office of the District, 153 Lake Merced Boulevard, Daly City, California, upon deposit of $10.00 therefor, $5.00 of which will be refunded upon the return of said plans and specifications in good condition within five days of the date set for opening bids.

Dated: August 15, 1960.

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of the Jefferson Elementary School District will receive bids for Audio-Visual Equipment.

Each bid shall be made out on a form to be obtained at the Office of the School District; and shall be accompanied by a certified or cashier's check, or a bid bond for at least ten (10) percent of the amount of the total bid, made payable to the order of the Jefferson Elementary School District, Daly City, San Mateo County, California; shall be sealed and filed with the Board of Trustees of the Jefferson Elementary School District, 48 Park Plaza Drive, Daly City, San Mateo County, on or before 10:00 a.m., Sept. 6, 1960, when it will be opened and publicly read aloud.

The above mentioned check or bond shall be given as a guarantee that the Bidder will enter into a contract, if awarded to him, and will be declared forfeited, if the successful bidder refuses to enter into said contract.

The right to reject any and all bids or waive any informality in the bid is reserved.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof.

Dated: August 15, 1960.

Dr. Biedermann Starts Private Practice Here

Dr. George A. Biedermann, acquainted with many residents in the Broadmoor-Daly City area through his association with the Junipero Serra Hospital, has announced the opening of his private practice at 2380 Junipero Serra boulevard in the Broadmoor Shooping Center.

Dr. Biedermann was born in Munich, Germany, and is a graduate of the University of Munich. He came to the United States in 1951 and now makes his home in Millbrae with his wife Wanda and their two children, Renate, 16, and George Jr. 16.

The doctor did his residency at Mary's Help Hospital and from 1953 to 1960 was associated with Junipero Serra. His work at the hospital was interrupted by the Armed Services where he served as a Captain in the United States Army Medical Corps from 1955 to 1957.

Dr. Biedermann will open his private practice September 1. His office hours will be 10 a.m. to noon and 2 to 6 p.m. by appointment, and he will make house calls.

NOTICE OF TIME AND PLACE OF HEARING OF APPLICATION TO CHANGE ZONING

WHEREAS, an application has been filed with the City of Daly City to amend Ordinance 294 of Daly City so as to change the zoning of the following described property from a R-1 District to a R-3 District, as such district is defined and established by Ordinance 294 of the City of Daly City, or as the same has been amended; and

WHEREAS, Sections 65,500 through 65,805 of the Government Code of the State of California establish requirements for such amendment and for public hearings thereon, and

WHEREAS, in accordance with the foregoing, the Planning Commision of the City of Daly City desires to set a time and place for a public hearing so that all interested persons may be heard.

NOW, THEREFORE,

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Daly City has set the time and place for hearing all persons interested in or objecting to said zoning for Tuesday, the 13th day of September, 1960, at the hour of 8 o'clock p.m. of said day in the Council Chambers of the City Hall, City of Daly City, San Mateo County, California, at which time the said Planning Commission will hear any person interested in or objecting to said application and will receive any evidence appertaining to said application.

Said property is described as follows: That certain property situated in the City of Daly City, County of San Mateo, and more particularly described as:

Lots 11 and 12, Block 37, Crocker Estate No. 2, on Templeton Avenue and between Estrada Avenue and Ventura Way.

Richard T. Dwyer,
Chairman, Daly City Planning Commission

NOTICE INVITING BIDS

FOR THE IMPROVEMENT OF THIERS STREET AND FLORENCE STREET AND APPURTENANT WORK IN AND FOR THE CITY OF DALY CITY SAN MATEO COUNTY, CALIFORNIA

Sealed bids will be received by the City Clerk of Daly City at the City Hall, 75 Wellington Avenue, Daly City, California, until 2:00 p.m., September 21, 1960, for the improvement of Thiers Street and Florence Street and appurtenant work in Daly City.

The said work shall be performed in strict conformity with the plans and specifications therefor, which documents are on file in the office of the City Engineer at 134 Hillside Boulevard, Daly City, California.

The sealed bids will be opened and declared at 2:00 p.m. on Wednesday, September 21, 1960, in the office of the City Clerk, City Hall, Daly City, California.

Copies of the plans and specifications for the work will be furnished to intending bidders at the aforesaid office of the City Engineer upon the deposit of $10.00. If these documents are returned in good condition within 10 days after the opening of bids, the full amount of the deposit will be returned.

Bids shall be submitted only upon the form of proposal furnished the bidder by the City and in accordance with the specifications.

Time limit for the completion of the work is 50 calendar days. The City reserves the right to reject any or all bids and to waive any informality in such bids and if awarded, to award the contract in the best interest of the City.

HIGHEST SPAN

The Bixby Creek Bridge near Big Sur is the highest single span concrete arch bridge in the world, according to the National Automobile Club.

LADY BETSY and Mr. Tim weren't winners in last week's Pet Parade in Westlake and this is quite apparent from the look on their faces. A lot of entries were happier though, as 10 categories of prizes were listed. The Pugs are owned by Mrs. J. R. Schroder, 1539 Sweetwood drive, Broadmoor Village.

THE RECORD photo

JUHSD Meetings Open To Public

With the start of the 1960-61 school year, the board of trustees of the Jefferson Union High School District once again cordially invites interested citizens to attend high school board meetings.

The board's regular meetings are held on the second and fourth Mondays of each month starting at 7:30 p.m. in the Office of the Superintendent, 375 South Mayfair avenue, room 214 (Westlake Building).

During the coming year, the Board will be called upon to reach decisions which will effect all residents of the high school district. If these decisions are to reflect the wishes of the patrons, it is most important that the board be given the opportunity to personally consult constituents at each high school meeting. A portion of time is set aside for members of the audience to discuss with the Board their thoughts and suggestions pertaining to school problems.

Organizations who would like to receive, in advance, a copy of the board agenda, are respectfully requested to contact Superintendent Edward Morgan by calling PL 5-1162.

K. of C. Annual Picnic Set For San Bruno Park

Father Peter Yorke Council 4119 Knights of Columbus will hold its Annual Picnic Sunday, August 28, at San Bruno Park, south of the swimming pool, at 1 p.m.

Members and their families are invited to attend the picnic and festivities. Fun for all and games for the children are planned.

General Program Chairman Richard Zimmer has promised a wonderful day including refreshments, buffet lunch and prizes for the winners of the events for the children.

Merchants Cite Success Of 'Pet Parade'

The Westlake Pet Parade on August 19 in Westlake Shopping Center was acknowledged a huge success by merchants and participants. Approximately 175 pets were entered in the parade and it was difficult for the judges to determine the winners in the ten divisions.

Following the parade, the large crowd was entertained by "Mr. Bob" and his puppets. The winner of the pedigree Poodle was 8-year-old Richard Sondahl of 8 Grandview avenue, Daly City.

Pet parade winners in each division were:

Youngest girl contestant; Caroline Cecconi, 213 Glenwood avenue, Daly City.

Smallet pet: Chuck Coneff, 468 Skyline drive, Daly City.

Youngest boy contestant: Robert Dirfan, 10 Pacifica, Daly City.

Best dog: James Kett, 29 Belmont drive, Daly City.

Best Cat: Cathy Moon, 680 Skyline drive, Daly City.

Oldest girl contestant: Mrs. E. Bassler, 756 North Mayfair, Daly City.

Best decorated entry: Revonna Rice, 146 North Mayfair, Daly City.

Oldest boy contestant: Mr. Michealis, 81 Glenbrook, Daly City.

Most unusual pet: Roger Dooley, 305 Palmcrest drive, Daly City.

Largest pet: Donna and Larrie Chelone, 118 Village Lane, Colma.

Second Increment Authorized For Westmoor School

On August 1, the board of trustees of the Jefferson Union High School District authorized the construction of the second increment at Westmoor.

Inasmuch as preliminary plans have already been completed for this work, Architect Mario Ciampi informed the board that construction should be able to start by next April—with the new facilities to be completed by August, 1962.

At present Westmoor can accommodate (by State formula), 1690. When the second increment is finished, an additional 400 students will be added to the latter named figure.

As authorized, the second increment calls for the construction of: eight classrooms, wood shop, electric shop, mechanical drawing room, physics lab, two biology rooms, and a general science lab.

RECORD NICKEL DELIVERIES

International Nickel in 1959 delivered over 315,000,000 pounds of nickel, more than was ever delivered by one company in a single year.

THEATER PARTY PLANNED BY TEMPLE JUDEA

Since the arrival of Rabbi Robert W. Shapiro, new spiritual leader of Temple Judea, members of the congregation have had to be notified that there is "standing room only" unless they arrive early.

Rabbi Shapiro blessed a Bar Mitzvah, Mark Rabinowitch, son of Mr. and Mrs. Abe Rabinowitch, last Friday evening. The service was held at the Westlake Auditorium. 333 Park Plaza drive.

Temple Judea will present its "First Annual Theatre Party" on Wednesday, September 14, 8 p.m. at the Seaview Theatre in Pacifica. A most outstanding "preview" is being planned and members and friends are urged to make reservations now as limited seating is available.

Mrs. Clifford Glicksman is chairman of this affair with Mrs. Maurice Kasavan in charge of tickets. Further information may be obtained by phoning Mrs. Kasavan, PL 6-3036 or the office, PL 5-6362

Now is the time to join Temple Judea, prior to the High Holydays and the opening of its religious school. Membership includes both High Holyday seats and enrollment in the Sunday school and weekday Hebrew school. A capacity attendance for the Holydays and an enrollment of more than 300 students are anticipated. For further information regarding membership in Temple Judea or seats for the High Holydays, write or phone the Temple office.

COASTER RUNS INTO AUTO BUT YOUTH NOT HURT

A 10-year-old Daly City boy narrowly escaped serious injury Saturday afternoon when his coaster collided with an auto driven by Louis W. John, 69, at the corner of Santa Barbara and Knowles avenues.

The boy apparently suffered merely a slight foot injury, although the police report indicated that the left front wheel of the slow-moving auto passed over the youngster's legs.

Investigating officer Richard DeLosa completely absolved John, 428 Santa Barbara avenue, of liability in the accident, terming it "unavoidable" because John's visibility admittedly was blocked by another auto in the intersection at the time.

The father of the boy refused medical attention for his son when deLosa suggested a trip to Junipero Serra hospital for an examination, according to the police blotter.

Counseling Staff Announced For Westmoor Students

The counseling and guidance staff at Westmoor High School for the school year was announced today.

Dean of Boys, Clayton Kollmann; Dean of Girls, Margaret Riggs; Counselors, Phil Capitolo and Evans Maionchi for ninth grade students; Robert Blancke and Richard Hart for 10th grade students; Robert Hyde and George Simon for 11th grade students.

The Jefferson Union High School District has employed two new people for the purpose of augmenting the counseling and guidance services at the three high schools. Dr. Kenneth Blood will serve the district as psychologist, and Mrs. Anne Kirschner will work with Dr. Blood as a case worker. Dr. Blood comes from the state of Washington where he has had prior school service, and Mrs. Kirschner is a local resident with several years' experience in this field.

Steak Pit Now 'Twins'; Owner Has Belmont Inn

"The Steak Pit" has invaded the Peninsula!

Frank Martinelli Jr. announces the purchase of controlling interest in the Belmont Casino, located in the heart of the Peninsula on the Old County Road between Belmont and Hillsdale.

Martinelli, formerly with the old Bal Tabarin on Columbus avenue and the Adobe Creek Lodge, presently owns and operates the fabulously successful Steak Pit on Junipero Serra boulevard.

Martinelli and the Casino's former owner, Louella Cook, will greet their friends nightly, except Monday, at the Casino where the popular priced quality Steak Pit menu will be featured.

Casino policies of many years will be continued. Dinners from 5 p.m., specializing in fine food and service. The cozy cocktail lounge and bar opens at 5 p.m. Dinner dancing with the Bel Airs Orchestra commencing at 9 p.m.

The new Belmont Casino Steak Pit is south of Candlestick Park and Bay Meadows and north of Redwood City.

It has one of the largest restaurant parking areas in the Bay Region. Parking is free at both Steak Pits.

Cotton accounts for about 11 per cent of California's cash farm receipts.

CONGRESS BILL MAY 'RE-OPEN' GI INSURANCE

Post-service insurance in several plans is available to veterans who were in service on or after April 25, 1951, and who are found to have service-connected disabilities of 10 percent or more in degree.

Application for insurance must be made, however, within one year from the time the Veterans Administration rates the disability, it was emphasized by San Mateo County Veterans' Service Officer, Floyd D. Granger, today.

The veteran must have been discharged under other than dishonorable conditions, and be insurable except for the service-connected disability. The "RH" policy thus obtainable pays no dividends, nor may the total disability income provision be added to it.

Such veterans, with less than a $10,000 RH policy may increase it to that amount, or may be granted a policy of up to $10,000 if one was never issued.

The policy may be issued upon payment of premiums and application in writing made within one year from the date service-connection of the disability is determined by the VA. The one-year rule is subject to exceptions in cases of mental incompetence.

The Service Officer pointed out, also, that the newly convened session of Congress has before it a bill (HR 11045) that would, if passed, reopen GI insurance and also offer a new form of permanent life insurance.

The "reopening" would be for World War II and Korean Conflict veterans who either never had government life insurance, or who had it and dropped it. They would be given one year in which to apply.

World War II and Korea veterans would also be offered permanent life insurance cheaper than any now available through the VA, to be called "modified ordinary life." It would cost a veteran additional premiums over the cost of his term insurance, but only about half as much additional as the present cheapest form of VA permanent insurance.

If accepted by both houses of Congress, and signed by the President, it would give veterans an additional choice of permanent plan insurance.

AVERAGE RAINFALL

Average rainfall in extreme northwestern California is more than 100 inches a year, according to the National Automobile Club.

FULL TIME JOB — Key Fair and Fiesta staff members surround Manager William M. Wilson (seated center) in one of the many meetings that go into the year-long planning and preparation for the multi-million dollar show which was held recently. Others are (seated) Mrs. Robert W. Boyce, entry department; Eric Clough, show designer; Wilson; Dick Harris, publicity director and Mrs. Bernice MacFarlind, secretary to the manager. Standing are Dr. Merrill Hansen, credential department; Pat Brenner, publicity; Mrs. John A. Jelincich, office assistant; Bud Moore, special events and John J. Canevari, commercial exhibit supervisor. Absent at the time the picture was taken was George P. Lord, entry clerk.

EDUCATORS PLACE STRESS ON MODERN SOCIAL STUDIES, MORE EMPHASIS ON ECONOMICS

The "wooden shoe-windmill-tulip" type of social studies is not adequate for today's modern child who gets his information, attitudes, and conduct signals from the far corners of the globe—and who may soon be getting them from outer space.

According to spokesmen for the National Council for the Social Studies (NCSS), a department of the National Education Association, social problems and their solutions, even if controversial, must be faced honestly at all levels in school.

"Sweetness and light — the glossing over of filth, disease, prejudice, starvation, death — can no longer be tolerated," said Dr. Harold Drummond of George Peabody College, Nashville, at a recent NCSS meeting. And a book published by the same organization forecasts profound changes in the teaching of social studies in the next 20 years. The book suggests that in addition to the present heavy history basis for social studies, more emphasis will be placed on the social sciences and economics in an attempt to contribute to the student's understanding of the contemporary world.

What could this mean for your child?

It may mean that he will start studying serious social problems, usually reserved for high school, at an earlier age. As he studies Hindu customs and folk art, he will also learn why millions of Hindus are starving, how this problem is being approached, and how important its solution is to world peace. Schools will put more stress than ever before on grim reality.

Educators also urge that your child learn more about the facts of economic life at a tender age, and continue to study them all through school. This economic learning would not be a new subject added to the already crowded curriculum, but would develop naturally from subjects already being taught. Here's how it would work:

In history, as your child learns about the frugality of the Puritans, he would also be taught the principle of capital formation. In reading about the controversies of Jefferson and Hamilton, he would learn the conflict between emphasis on economic growth and political freedom.

He would learn how political expediency affects policies on world trade.

In geography, he would discover that peoples, depending on their culture, develop different institutions and economic systems, through which they produce and distribute goods and services.

The urgent need for more economic education in America's schools was set forth in a recent publication, Educating for Economic Cometence, produced by the Association for Supervision and Curriculum Development, another NEA department.

"The high school graduate should be able," the books says, "to apply the tools of economic analysis to the issues of the day."

For your child, these issues will be very personal and practical ones: What career will have the best long-range future for him . . . Whether it is wiser to spend his money or save it in an inflationary economy. Or they could involve matters of national importance on which he must help make decisions.

How can you help spark your child's interest in social studies? Here are tips from teachers:

If you're a faithful follower of news broadcasts and an inveterate reader of newspapers and news magazines, he'll get the idea you think it's important to keep up with current affairs. Discuss news at the dinner table, giving him opportunity to express his views. Discuss local candidates for public office, too, and the issues and problems of your community.

Keep an atlas, almanac, dictionary, globe, and encyclopedia conveniently close to the TV set for use during news and documentary programs, or simply to settle arguments. "Let's look it up" should be one of the most common phrases around your house.

Are foreign exchange students or professors attending or teaching school or college in or near your community? Perhaps you could invite these interesting visitors to family dinner some night to hear about their homes, foods, schools, games.

Help him to judge each person individually rather than by race, creed, or color. How? By curbing your own unthinking remarks about others.

High Scoring PAL Bowlers Should Check At Bowl

Chief of Police Roland Petrocchi today asked all women who bowled scores of 566 and men who rolled from 616 up, to check with the desk at Westlake Bowl to see if they won prizes in the Police Athletic League benefit bowling tournament. He said those who received official notice that they were winners need not re-check.

Hoover Dam in Bolder Canyon on the Colorado River, Arizona-Nevada, is the highest dam in the United States, 726 feet.

Winds Wrack Sailboats; Saved By Sea Scouts

Heavy winds last Sunday crippled two sailboats on Lake Merced, flipping one and ripping shrouds, guy wires and decking from a second.

While groups watched on shore, Daly City Sea Scout officers spent several hours bringing the craft to safety. The same wind knocked two large sailboats flat on San Francisco Bay, overturned a fishing boat and a cruiser on the ocean.

The damaged Lake Merced boats were skippered by two University of California students, Scout Skipper Bob Gunthorp said.

Gale force winds, which had chased other boats from the lake, first slammed into an 18-foot snipe, tearing out mast supports, shrouds and leaving parts of the deck dangling over the side.

According to Frank De Martini, the Sea Scouts Ship's mate, the snipe was no longer governable. It drifted into the reeds at the far end of the lake. At the same time, De Martini said, an International 14-class sloop attempted to rescue the snipe. But twice it beached helplessly and began pounding in the wind-whipped waves. Rescuer and wreck were in trouble.

Gunthorp and De Martini, who had anticipated trouble, helped the "14" free its tow to the snipe. Mainsail and jib were set and the craft sailed back to the boathouse.

But the snipe, racked by the wind, fought efforts to dock it for three hours. After cleaning the damaged rigging, the sopping wet scouts tried towing the snipe with a rowboat. The attempt failed. A borrowed power boat was found and the sailboat finally brought to its slip.

The principal cooper producing countries of the Western Hemisphere are the United States, Canada, Mexico, Peru and Chile.

Legion Auxiliary Has 'Music' Theme At Next Meeting

Theme of the American Legion's Eighth District meeting on Tuesday, September 6, will be music. The meeting will convene in Room 314, War Memorial Building, Van Ness & McAllister streets at 8:30 p.m., Alpha Egan, Eighth District President, presiding. Chairman of the musical program will be Irene Pence, Eighth District Music Chairman, with Minnie Mersereau, co-chairman.

Mrs. Marjorie Hoe, 1959-60 Girl State Chairman, will present the 1960 Girl State Citizens, who will report on their experiences at Girl State Session at Davis, California. Also scheduled for the evening's enjoyment will be pictures taken during the 1960 American Legion Auxiliary Convention held in San Francisco the latter part of June. These pictures will be shown by Mrs. Lula Lucas, second vice-president and Americanism chairman of Eighth District. Friends and members of the American Legion Auxiliary are invited to join in a most interesting and enjoyable evening. Refreshments will follow the meeting, served by Bayview Unit No. 502 and Bataan Unit No. 600, with the table typifying the music theme.

Boy Hemhorages After Having Tooth Extracted

Philip D. Escudero, 16, 276 Acton street, was brought to Junipero Serra Hospital by police last Wednesday at 6:15 a.m. when he started hemhoraging from the mouth.

His mother, Carmen C. Escudero, had called police stating that her son had had a tooth pulled and was bleeding from the mouth. Officer Robert Crooker and Sergeant Galindo transported the boy to the hospital where the bleeding was stopped.

Bantam Leagues Reach Climax; Trophy Awards Due Saturday

By Bob Sexton

The Bantam (12 and under) leagues sail into the last week at Westlake Bowl this Saturday. Everyone who holds down the high game and high series will have his fingers crossed in hopes that no one will get hot during the last day of competition.

The bantams will have their awards banquet at the Westlake Bowl on Wednesday, August 31. The affair has been set at 2:30 p.m. in the Sunset Room of the Bowl. The youngsters will take in a movie entitled "Young America Bowl," stuff themselves on either hamburger or hotdogs and climax the season by awarding the team and individual awards to the champions.

The Winter bowling leagues will be starting around the middle of September. The regular Saturday morning program will continue with leagues ranging from a 10-team Senior Boys league for all boys 15 to 16 years of age, Junior Girls league composed of 10 teams for girls 13 to 15 years of age, Junior Boys league, 10 teams, for boys 13 to 15 years of age.

In the Bantam division a whopping 12-team league is being planned for more advanced bantam bowlers. There will also be a bantam league for the less skilled bowlers. It is planned that these leagues shall continue through the winter months, to terminate around the first of May, 1961. In the past there has been minor problems in good attendance. It is hoped that with a longer season, this problem will be reduced or eliminated. A second advantage in longer bowling seasons is the fact that the bowlers' trophy fund grows larger and the children are in a better position to receive nicer trophies and awards.

Bowling Results:

In Junior league competition, Jim Fisher was out in front of the pack Saturday as he sizzled to a 530 series behind the games of 204-165-161. Ward Pothoff was just a few steps behind Jim with a 523. His games were 167-162-194.

After a short vacation, Sharon Sylvester practically burned the paint right off the pins with games of 162-166-169, 497. She vows to get that much sought after 500 series that is so rare for the Junior Girls.

Jimmy Fisher's name pops up again in the Junior Scratch league. This time he shot an A.J.B.C. award winning 553 series. The games were 182-192-179. Behind Jim was Bob Balestreri with games of 158-171-211, 540; Kevin Burke, 171-165-201, 537; Carl Steigerwald, 177-180-153, 510, and Bob Doayle, 154-172-176, 502.

In the Junior Boys 710 Scratch league it was a runaway as Charlies' Richfield team wound up with a record of 24 wins and 3 losses. They cinch the league in the ninth week, with two weeks to go.

Leaders in the Bantam:

Bob Bias	295
Tom Cunningham	288
Ron Basso	268
Steve Russell	263
John Glebow	266
Craig Headman	266
Mary Glass	253
Frank Knowlton	250

* * *

In a match game with Bagdad Bowl last Wednesday afternoon, two teams of Westlakers took close decisions. In the 750 scratch match the Swanson juniors closed out the match in the last frame of the third game. High for the locals were Joe Marasco at 533 and Ric Urrea at 520. The opposing team had a real clutch bowler in John Noren who hung on right up until the last. His score was a 539, with the high game being 209. The Westlakers copped the match by 49 pins.

The second game was even closer than the first. The difference was a mere 28 pins. High for the match was Larry Tomassini with 463.

PAL Bowl Tourney Awards On Saturday

Police Captain Roy Beecher reminded today that prizes for Police Athletic League bowling tourney winners will be awarded this Saturday, August 27, at Westlake Bowl, starting at 4 p.m.

All tourney committee members are asked to be present to assist in distribution of the awards.

Beecher said all winners have been notified by mail to attend.

FIVE years of research and testing by the Bell Laboratories went into The Princess telephone, now being introduced here. It is the first major home telephone change in ten years. The Princess weights about half as much as other phones and is about half their size. It has a night light in its dial, a feature which appeals to Pacific Telephone's Jackie Willard, shown holding one of the new sets. Jackie is a graduate of Westmoor High School in Daly City and was "Miss Pacifica" three years ago.

"We had better hurry to sign up for the daytime leagues at the Bowl. They have both ladies and men's leagues during the day."

Daly City Drug Team Captures Softball Title

The Daly City Drugs scored a 6-3 win over Sarto A.C. to win the Daly City Department of Parks and Recreation's 1960 Adult Softball League championship.

The Drugs got four big runs in the third innings on a bases-loaded double by catcher-manager George Pedroni and a double by LeRoy Franzoia. Pedroni drove in four runs with his double and sacrifice fly.

Two Sarto rallies were stopped short by sparkling catches from shortstop Skip Matsoich who started double plays to end the inning each time.

A triple by Bob Warfield and a homer by Don Oates accounted for two of Sarto's three runs.

Matisi Lists Westmoor Nine Game Schedule

Department Chairman Anthony Giammona today announced that Westmoor High School plans a full program of inter school athletics despite the fact that facilities will be shared during the coming year with Oceana High School.

All athletic practices and games will be held after regular classes during the course of the year. Giammona announced the following teachers will coach the various athletic teams:

Pete Matisi, varsity football. All football aspirants will report for football physical examinations on September 2, at 10 a.m. in the Westmoor nurse's office. Practice will begin the following week, according to Matisi.

William Carr will serve as assistant football coach. Giammona and Byron Van Alstyne will coach the 10's, 20's, 30's and varsity basketball teams. Rodney Losberger will be head frosh football coach and varsity baseball coach. Harry Wiedner, former football star at Modesto Junior College, will act as assistant frosh football coach. Al Wolf, cross country track and assistant varsity track. Robert Blevins, last year's assistant track coach, will move up to the head spot, replacing Ernest Ribera, who will be with the Oceana High School. In addition to his track assignment, Blevins will again coach the wrestling team this year.

Westmoor's football schedule is as follows:

Sept. 30—Woodside at Woodside.
Oct. 7—Menlo Atherton at Sequoia.
Oct. 14—Westmoor at San Mateo..
Oct. 21—Burlingame at Westmoor.
Oct. 28—South San Francisco at Westmoor.
Nov. 4—Westmoor at Hillsdale.
Nov. 10—Capuchino at Westmoor.
Nov. 18—Westmoor at Jefferson.
Nov. 23—Westmoor at Mills.

Rest Periods: The daily schedule is carefully planned to allow periods for rest as well as for activity and campers must retire at a prescribed hour.

Carried out under these conditions camping can be one of the most worthwhile experiences a child can have, not due to service.

DAVID WILLEY, Principal of Daly City's Jefferson Elementary School, also serves as coordinating publicist for the school district. Willey takes pictures of major district projects and prepares publicity for the press.

OCEANA HIGH SCHOOLERS TO HAVE 'STEPPED UP' INTRAMURAL PLAN

To supplement a limited athletic program, which is normally the case for first-year schools, Oceana will have a fullscale intra-mural program.

According to Department Head, Floyd Gonella, and Director of Intra-murals, Frank Lawler, "We hope to include every student in the school, boht boys and girls, in one way or another. Of course, it will be voluntary."

The first contest will be a hole-in-one tournament at the beginning of school. Both teachers and students will compete, and winners in each division will be given awards.

Included in the intra-mural program will be softball, touch football, basketball, speedball, volleyball, coed-volleyball, badminton, table-tennis, wrestling, and others.

It should be noted that student team winners in basketball, volleyball and softball will play in the faculty in a game. This should generate a great deal of interest for both studnts and faculty. The intra-mural program will be carried on in the morning before school, and early busses from the Pacifica area will be provided for participants.

SFS Graduates Lead Oceana PE Department

The coaching staffs and physical education departments of most Bay Area high schools have decided San Francisco State flavor, and Oceana is no exception. Of the five boys' physical education teachers, four are from San Francisco State.

Head of the Physical Education Department and Athletic Director is Floyd Gonella who is a graduate of Jefferson High School and San Francisco State College. After playing football for Jefferson High and San Francisco State, Gonella became Head Junior Varsity Football and Baseball Coach at San Francisco State. At this time he was the youngest college coach in the Bay Area. Gonella will coach football and golf at Oceana.

Roger Miller is a graduate of Chico State College, where he played baseball and football. Miller taught two years at Tracy before coming to Westmoor. At Westmoor he coached J. V. Football and Frosh Baseball At Oceana, Miller will coach baseball and wrestling.

Richard Burt is a graduate of San Francisco State College. Burt, a former professional baseball player in the Detroit Tiger chain, has been head basketball and baseball coach at St. Vincent of Vallejo for the past three years. He will coach varsity and lightweight basketball at Oceana.

Jess Jones is a graduate of Serra High School and San Francisco State College and was captain of the San Francisco State football team in 1954. Jones has been coaching at Jefferson for one year. At Oceana, Jones will be assistant football coach and assistant track coach.

Frank Lawler, who will be assistant basketball coach and director of intra-murals, is a graduate of San Francisco State College. Frank played baseball and basketball at San Francisco State, and coached for three years at Westmoor High School. He was assistant baseball and J. V. basketball coach.

Dennis Lanterman will be the track and cross country coach at Oceana. Lanterman is a graduate of Occidental College where he was a top notch track man. The half mile was his favorite event. Lanterman has been coaching at Galileo High School the past year. Besides coaching, Lanterman will also teach mathematics.

Annual Eagles' Picnic Sunday Near Woodside

Approximately 1500 members and friends of the Colma-Vista Grande (Daly City) Eagles will gather at Skippers park in Woodside this Sunday for the unit's annual "Family Fun Day."

Jerry Somers, picnic chairman, says the outing "is without a doubt the area's largest and best."

Children will be admitted free and will be treated to free ice cream, soft drinks, peanuts, games, and merry-go-round rides. Adult admission is $1 and free beer will be served all day. There will be plenty of prizes and dancing.

Eagles President Cliff Cofield reminds that tickets will be available at the gate.

"We can guarantee everyone a good time," he enthused. "All we ask is that participants bring their own lunches."

City-Sponsored Outings Enjoyed By Youngsters

On Friday, August 19, the children of Daly City enjoyed two special outings sponsored by the Daly City Recreation Department. The first outing for the children living on the east side of Junipero Serra boulevard was a roller skating trip to Skateland and an outing at Playland at the Beach. After a full morning of roller skating and a busy afternoon at the many concessions and rides at Playland, the children returned home.

The second outing, for the children living on the west side of Junipero Serra boulevard, was a trip to Junipero Serra Park in San Bruno. The children enjoyed a day of hiking, nature hunts, volleyball and baseball. The day was capped by an outdoor barbecue in which each participant had the experience of cooking his own lunch over an open fire.

HOBO DAY WAS HEAVENLY, ALL THE KIDS SAY

One-hundred fifty hobo youngsters had the time of their lives eating pies, blowing bubblegum, gobbling watermelon and heaving javelins last Friday. It was the Ben Franklin-Garden Village summer playground Hobo Day.

The kids were thoroughly tuckered by a day of races and contests in backward broad-jumps, shotputting, slinging the discus, shoe kicking and the like, arranged by the J. L. Snell Recreation Department.

To Frank Hicks, manager of Mayfair Market, children and staff tendered their out-of-breath thanks. It was he who provided the watermelon and pies.

Some of the winners were: Bonnie Brudvig, Susan Galso, Barbara Perry and Ann Flaherty; Joann Bertken, Chris Bechtold, Michael Flaherty and Vicki Lorber; Danny Proctor, Harry Lorber, Janet Richel and Pietro Vinnela;

Paul Bennett, Gary Mendosa, Ron Baker and Mark Clark; Timmy Martin, Grady Proctor, Michael Flaherty and Andy Ehat; Larry Baker, Time Herbert, Dennis James, Susan Galos and Linda Galos; Harold Loeber, Ricky Rodriquez, Peter Vinella and Peter Martin.

Executive Board At Jefferson Leads Students

The student-body executive board of Jefferson High School is composed of a combination of the student-body officers and class officers.

During the year this board acts as a sounding-board and clearing house for plans designed for student activities. The student-body officers elected to serve as leaders during the fall semester 1960 are:

President, Dennis Cardinelli; Vice-President, Gail Kaleiki; Secretary, Barbara Cohn; Treasurer, Bill Sarris; Judge, Bob Guerrero.

Head Sgt./Arms, John Souza; Commissioner of Rallies, Bonnie Markus; Commissioner of lubs, Linda Cole; Commissioner of Elections, Sue Woolery; Head Cheerleader, Tom Glasser.

Cheerleaders: Linda Colozzo, Carrol Aquino, Charlene Del Sarto.

J.V. Cheerleaders: Carol Montalbo, head, Carol Scironi, Pamela Burch.

Pep Girls: Sandi Butler, head, Diane Carney, Diane Kennedy, Diane Rivera, Wally Atkins.

The above named students have been quite active in student affairs during their early years at Jefferson High and are well qualified to lead the student-body for the fall semester.

President Dennis Cardinelli has already expressed his intention of making this fall one of the most memorable at Jefferson High School. These students will meet as the Executive Board on September 1 to explain student activities and traditions to the new students at Jefferson.

"AS THE CROW FLIES"

A given distance, "as the crow flies," may be farther than supposed, according to the National Automobile Club. Crows often fly in a zigzag pattern.

'Green' Oceana Gridders Have Two QB Hopefuls

According to Head Football Coach, Floyd Gonella, and Assistant Coach, Jess Jones, the Oceana Football Team will be a very young team insofar as experience is concerned.

However, a few of the boys have had playing time with the Westmoor Frosh, Junior Varsity and Varsity. Some of the boys who played for the Westmoor Frosh last year are: Robert Aslin, Ken Kirkland, John Tafuri, James Buchanan, Jim Boyette, Bob Simons, Dennis Caruthers, Mike Tally, Manuel Pick and Bill Hensley. Ken Murphy and Dewey Melton played for the Junior Varsity, and Bob Evans played for the Varsity and Junior Varsity.

Many other boys have caught the eye of Coach Gonella during their physical education classes. Gonella singled out Jim Buckner, Dean Greer, Keith West, Charles Humble and Don Goodsell.

Coach Gonella stated that the only position that may cause concern is at quarterback, but with Don Katona, All PAL pitcher, turning out, and another baseballer, Fred Mason, things are beginning to brighten up.

As of now, Oceana has three games on the Junior Varsity level. They are with San Carlos, Westmoor and Jefferson. Physical examinations will be given in September. Dates for the physicals will be announced in the papers, and players who have signed up will be contacted. Boys who have not yet signed up may come for physicals when announced and all boys are invited to try out for football.

CHP Gives Advice On Handling Car With Blow Out

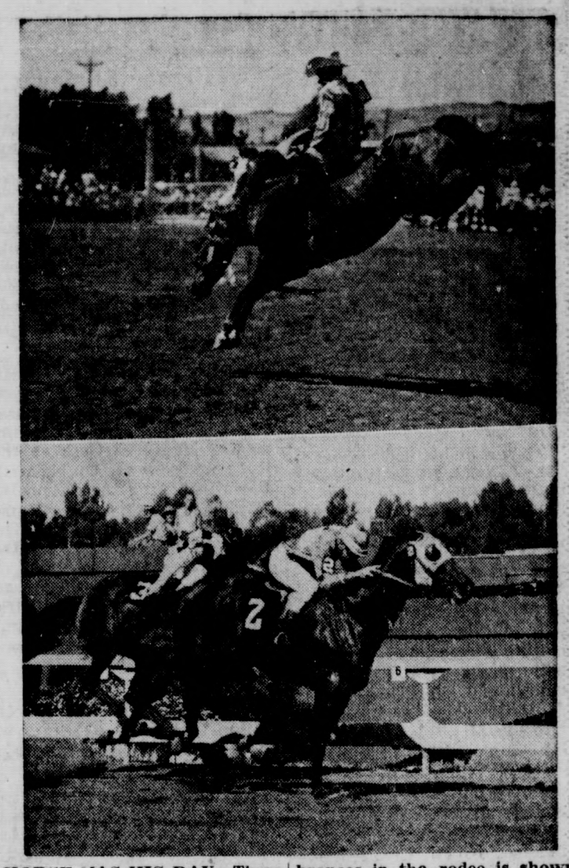
High speed, hot weather driving increases the chances of a tire blowing out and causing a serious accident, warns the California Highway Patrol.

The fact that blow outs do not occur as often as they did in the past makes them even more hazardous because the average driver does not know how to cope with them, in the opinion of CHP Commissioner Bradford M. Crittenden.

"Most motorists do exactly the wrong thing when a tire blows out," he declared. "They apply the brakes heavily, usually throwing the car out of control and causing a rollover or a collision with another vehicle or some fixed object along the roadway.

"The proper technique when a blowout occurs is to take your foot off the accelerator and allow the car to slow down by itself, meanwhile holding the steering wheel firmly to prevent the car from swerving. When the car has slowed to a speed where control is sure, the brakes may be applied gently to bring the vehicle to a complete stop."

Microwave, television networks and "Voice of America" stations are located in the San Francisco Bay Area.



HORSE HAS HIS DAY—There are three major attractions at the California State Fair for lovers of horseflesh—the daily racing program, the rodeo, and the horse show. One of the wild broncos in the rodeo is shown at top, a stretch duel in one of the stakes events below. The Fair will run from August 31 through September 11.

20,000 First Fleet Sailors To Swarm S.F.

San Francisco's Pacific Festival will draw some 20,000 men and 38 ships of the Navy's First Fleet to the Bay Area from September 9 to 18 for a formal fleet visit.

Twelfth Naval District headquarters here today announced that Vice Admiral C. L. Melson will lead a contingent of 29 of his First Fleet ships through the Golden Gate on September 9. Later arrivals will bring the total to 38. Among them will be the fleet flagship USS Los Angeles, carriers, destroyers of all types, submarines, amphibious craft and minesweepers.

The ships will be berthed along the Embarcadero from Fisherman's Wharf to Hunter's Point, in Oakland's inner and outer harbors, at Naval Supply Center, Oakland, and at Naval Air Station, Alameda. Most of them will be open to visitors, the Navy said.

In addition to regular festival events, special entertainment is being arranged for the Navy visitors by civic committees both in San Francisco and Oakland.

Beginners' Class In Square Dancing

The Seasiders Square Dance Club is sponsoring a beginners' class to be held at Vallemar School in Pacifica, starting September 14.

The class will be held each Wednesday evening from 8 p.m. to 10:30 p.m. The instructor is Tex Dehoney.

There will be a registration fee. All interested adults are welcome, according to president David R. Hall.

Two-Day Rummage Sale In Pacifica

The Mar Del Social Club is planning a rummage sale on September 9 and 10 at the Coastside Temple grounds, end of Sharon avenue in Pacifica.

Members expect to have a fine selection of household items, children's apparel, and toys, as well as used clothing for all ages.

Refreshments will be served. Donations are welcome.
